

CHILD SAFE CODE OF CONDUCT

All staff of BLPS are responsible for supporting the safety, participation, wellbeing and empowerment of children by:

- taking all reasonable steps to protect children from abuse
- treating everyone with respect
- listening and responding to the views and concerns of children, particularly if they are telling you that they or another child has been abused and/or are worried about their safety or the safety of another
- promoting the cultural safety, participation and empowerment of Aboriginal children (for example, by never questioning an Aboriginal child's self-identification)

- ensuring as quickly as possible that the child(ren) for whom any allegations of child abuse are safe
- encouraging children to 'have a say' and participate in all relevant organisational activities where possible, especially on issues that are important to them.

Staff and volunteers must not:

- develop any 'special' relationships with students that could be seen as favouritism (for example, the offering of gifts or special treatment for specific children)
- exhibit behaviours with students which may be construed as unnecessarily physical (for example inappropriate sitting on laps. Sitting on laps could be appropriate sometime, for example while reading a storybook to a small child in an open plan area)
- put student at risk of abuse (for example, by locking doors)
- do things of a personal nature that a student can do for themselves, such as toileting or changing clothes
- engage in open discussions of a mature or adult nature in the presence of children (for example, personal social activities)
- use inappropriate language in the presence of children
- express personal views on cultures, race or sexuality in the presence of children
- discriminate against any child, including because of culture, race, ethnicity or disability

By observing these standards you acknowledge your responsibility to immediately report any breach of this code to BLPS Leadership Team.
