SCHOOL FUNDRAISING PROGRAM 2017

We will be forwarding all families notification of how they can to pay the newly introduced $30.00 Fundraising Contribution per family next week, either in a lump sum or via a payment plan. If all families pay the contribution we will raise $14,000, leaving us with only $6,000 to raise from our traditional fundraising projects – this year that being our Fun Run. At next Monday’s school council meeting we will be considering a range of suggestions regarding the projects for which we will be raising funds both via the Fundraising Contribution and for the Fun Run to be held later in the year. We are seeking ideas from our students through the Junior Council, from parents via our PFA, staff and any ideas that we receive from our community at large. Please send us any suggestions you may have. Importantly, we will have an itemised and very specific list of projects that will be publicised prior to either the Fundraising Contribution being requested or the Fun Run being conducted. Please put your thinking hats on and let us know what you think would be great projects that would enhance the learning environment for our students. This is a new direction for our school – introducing a Fundraising Contribution whilst simultaneously significantly reducing the number of fundraising activities throughout the year. It is a voluntary contribution and parents are not required to pay it, however, for the concept to work – that is, reduce the burden of organising and operating a large number of fundraising activities throughout the year, we do need everyone’s support. This approach, if it works will also mean that less of the money currently spent on our fundraising activities will go to paying overheads and external providers. In effect, parents will be paying significantly less to raise the same amount of money – that being a total target of $20,000 for the year.
Q. Why will we be operating the Fun Run internally and, without the incentive of attractive prizes for those students and families who raise the most?

A. Firstly, to a large account our experienced office staff already provide administrative assistance to the Fun Run, as they do with all school activities, so operating the administrative side of the Fun Run internally should be quite manageable. The decision to not provide prizes as incentives is motivated by the aim of promoting citizenship without individual material benefit. We believe that is a worthy goal to inspire in children. In this case, working as a team in the common good. All children will of course be acknowledged for their contribution – by way of a laminated thank you card. It would be most heartening later in the year, to share in the satisfaction that we held a successful Fun Run, inspired by doing something for everyone at our school, without personal prizes on offer. Our Junior Council is working closely with staff already in the early stages of planning for the Fun Run.

QUOTABLE QUOTE
“The best incentive is that which inspires action on behalf of others”

Henry Grossek

HAVE YOU CHANGED YOUR ADDRESS OR PHONE NUMBER?

Please ensure you let the school office know if you have changed address or updated mobile phones with new numbers. This information alleviates stressful situations for students when they are ill and we cannot contact parents.
**HARMONY DAY:**
On Monday 20th March 2017, the whole school will be celebrating Harmony Day.
Harmony Day celebrates Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging for everyone. We encourage the students to dress in their national costume or either orange (the colour of harmony) or purple (the buddy colour). Families are invited to come along to our Monday morning assembly on the basketball court. There will be a parade and the Mandarin extension students will make a presentation in recognition of this day, reinforcing the important message of belonging and acceptance. Alongside Harmony Day, the Junior School Council have organized a fundraiser to support our sponsor child, Amira. A gold coin donation will help support her and her family in Indonesia.

**WORKING BEE – COMMUNITY GARDEN**
**FRIDAY 17th MARCH 2017:**
This Friday 17th March 2017, from 3.30pm to 4.30pm we will be holding our first working bee for the year in the Community Garden. If you are available to assist, please come to the garden and sign in. We will be tidying, weeding and mulching areas and getting the garden boxes ready for grades to plant an autumn crop. Children need to be supervised by an adult, all families are welcome to assist.

**CURRICULUM DAY:**
Friday 10th March 2017 was our school curriculum day and the teachers were involved in a series of workshops covering STEM. The teachers learnt how to use the green screen to make a simple movie, wrote ‘code’ using the Scratch program, designed a robot to complete a task and discovered how circuits can be used to turn lights on and off. The day was very successful and we look forward to incorporating more STEM activities into our classroom programs.

**CROSS COUNTRY:**
Yesterday and today saw the completion of our annual School Cross Country event. Well done to all students who participated and thank you to Miss Craig for all her organisation. Thank you to all the parents who came and supported and assisted with the event. It was fantastic to see so many students wearing their house colours and supporting their class mates by cheering and encouraging them to do their best.

**ATHLETICS DAY:**
Next Tuesday 21st March is our grade 3 to 6 athletics day. Children are encouraged to wear their house colours and parents are welcome to assist or come and watch on the day. We look forward to another great day!

**THE CITY OF CASEY TEENAGE SCHOOL HOLIDAY PROGRAM:**
The City of Casey Teenage School Holiday Program is open to young people of all abilities aged 10-17 years who live, study or have strong connections to the City of Casey. Each school holidays a wide variety of low cost, fully supervised activities are offered. The program offers young people from Casey the opportunity to make valuable connections with their community and peers, while having a lot of fun. Parents and guardians are encouraged to book early as limited spaces are available. The teenage school holiday program will take place Monday 3rd April – Thursday 13th April 2017. Please note that there will be no program on Friday 14th April due to the Good Friday public Holiday. The selection of activities for the term 1 school holidays includes a bike ride along the Yarra River (suitable for all abilities), Gravity Zone, and a cooking class along with many more activities. Bookings open Wednesday 15th March and close Wednesday 29th March for week one activities, and Wednesday 5th April for week two activities. For more information, please visit the below link:

**MICHAEL GROSE SPOON FED GENERATION NATIONAL TOUR**
Michael Grose, founder of Parenting Ideas, is one of Australia’s leading parenting educators. Michael regularly appears in the media throughout Australia in programs including The Project, The Today Show and ABC radio. Michael is currently embarking on a national tour, promoting his new book ‘The Spoon fed Generation’. Michael will be holding a parenting evening on Tuesday 21st March 2017 at Hillcrest Christian College, Clyde North from 7-9pm. Tickets are $35. Access the website for more info and to purchase the tickets: https://www.parentingideas.com.au/}

Sandra McCrum and Angela Maskery
As part of our Prep program this year we will be commencing a Perceptual Motor Program (PMP) 2 mornings a week starting later this term. The program will run Tuesday and Thursday mornings from 9am - 9.45am in the gymnasium, courtyard and basketball courts.

PMP is a program, which aims to develop a child’s PERCEPTION and UNDERSTANDING of themselves and their world through movement and fine/gross motor experiences. A Perceptual Motor Program aims to give the child experiences in seeing, hearing, touching, processing, making perceptual judgments and reacting though carefully sequenced activities which children enjoy including running, hopping, skipping, jumping, balancing, crawling, climbing, throwing, catching, bowling, and sliding. The program uses a variety of commonly found and specially designed equipment.

**How can you help?**

To successfully run the program we require at least 15 parent helpers each day. Each parent will have a set activity to supervise and they will be working with a group of approximately 5 students at a time. The children rotate through 5 or 6 activities which take 5 minutes per activity to complete. We have picture cards to assist parents with what the children are required to do and it can be as simple as helping them hold a bean bag on their head and walk a few steps. Other examples of activities include bouncing and catching balls, crawling through tunnels and throwing a bean bag at a target. If you are able to assist, even if for one morning only, please complete the attached form and return to your child’s teacher by Friday 17th March 2017. (You will also need to have a current Working with Children’s Check. Please bring a copy of your WWCC to the office if you have not done already).

*Please note:* Unfortunately we cannot have Toddlers/younger siblings with parent helpers due to the supervision required to assist with the successful running of the program. Parent helpers are welcome from any grade across the school.

If you are able to help out in any way we would love to hear from you

**Tanya Craig**

COMMUNITY GARDEN WORKING BEE
This Friday 17th March
3.30pm to 4.30pm.
ALL WELCOME

All help and assistance is greatly appreciated. If you are able to assist, please come and join us in the Community Garden. We will be weeding, trimming, mulching and preparing the garden boxes for the grades to begin planting an Autumn crop.

Happy Gardening,
Mrs. McCrum.
CSEF Applications

Application forms are now available in the office for the Camps, Excursions & Sports (CSEF) funding.

Please bring a copy of your concession card into the office when applying for the CSEF Fund.

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. $125 per year is paid for eligible primary school students. Payments are made directly to the school and are tied to the student. Parents or legal guardians are required to submit a new CSEF application form each year.

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

on the first day of Term one, or;

on the first day of Term two;
   a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be the holder of a Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR
   b) Be a temporary foster parent, and

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of the above.

CSEF application forms and a copy of your concession card must be handed into the office by Friday 23rd June 2017.
Book Club

Book Club orders close TODAY Thursday 16th March 2017. Please place all orders online as the office cannot accept cash.

2017 HIGH ACHIEVERS PROGRAM

The High Achiever Program at Fountain Gate Secondary College is designed to enable high achieving students to maximise and fulfil their academic potential in a stimulating and supportive setting, along side others with similar abilities and interests. The application for current Year 6 (Year 7 in 2018) students closes on Friday 21st of April and the selection examination will be held on Saturday the 29th of April 2017.

For further details and application forms contact Ms. Nicole Titter on 8762 6839
FOUNTAIN GATE SECONDARY COLLEGE

CAREER PATHWAYS

The College offers a range of career pathways for students to choose from, including:
- Business and federal studies
- Creative arts
- Digital technologies
- Engineering
- Health and community services
- Hospitality and tourism
- Media and communications
- Sciences
- Technology and industrial design
- Visual arts

Support and Future Pathways

The College provides support and pathways for students to succeed and progress in their chosen field. They include:
- Mentoring and coaching
- Work experience placements
- Industry partnerships
- Networking opportunities
- Access to industry leaders

Past Results

The College has a strong track record of achieving excellent results in both internal and external assessments. Students have consistently been placing highly in various competitions and examinations, both at state and national levels.

FOUNTAIN GATE SECONDARY COLLEGE

HIGH ACHIEVERS PROGRAM

Program Overview

The High Achievers Program at Fountain Gate Secondary College is designed to help students reach their full potential and achieve academic excellence. It provides a range of opportunities for students to extend their learning and develop their skills in areas such as mathematics, science, and technology.

Program Benefits

- Access to challenging coursework
- Opportunities for extra-curricular activities
- Mentoring and support from experienced teachers
- Access to resources and programs that support high achievement

Eligibility

Students must meet the following criteria to be considered for the High Achievers Program:
- Achieving excellence in all assessments
- Demonstrating a strong interest in a particular subject area
- Possessing a strong work ethic and commitment to academic excellence

Application Process

Students interested in the program should contact their Year Advisor or the College Principal to apply.

Benefits of the Program

- Access to a range of gifted education resources
- Opportunities for participation in national and international competitions
- Access to support from experienced teachers
- Opportunities for extra-curricular activities

Get involved in the School Banking program.

Berwick Lodge Primary School is excited to offer the Commonwealth Bank School Banking program to all students. School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2017 are:

- Cyber Handball
- Colour Change Markers
- 3D Chalk Set
- Tablet Case
- Smiley Emoji Keyring
- Volt Handball
- Pencil + Tech Case
- Epic Earphones

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. Online

2. In branch
   Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver’s licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is **TUESDAY**. Each week you complete your deposit slip, insert money into the Dollarmites wallet and then hand this to your classroom teacher who will send it to the office to process. These will be returned to you by the end of the day.

If you would like to know more about School Banking, please ask for a 2017 School Banking program information pack from the school office or visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)
