SCHOOL COUNCIL AGM
Last Monday evening we conducted our school council AGM at which our new school council members were welcomed and our office bearers for 2019 were elected. In addition our Annual Report for 2018 was tabled and discussed. I am pleased to report that our 2018 Annual Report presented a very positive summary of our year’s achievements, of which we can all be proud. In saying this, should you wish to view the report, it will be uploaded on the My School website by the end of April and available to access by the general public.

School Council Office Bearers for 2019 are:
President: Jade Thomas
Vice President: Alicia Ladson
Treasurer: Mel Dobric
Correspondence Secretary: Natasha Pinkstone
Minute Secretary: Robert Kelly

Once again, many thanks to all members of our 2018 school council, and those members retiring from council, I hope you find the extra time you now have on those free evenings to be rewarding.

PARKING IN THE STAFF CAR PARK
Thank you to those parents who have supported me regarding this issue. I have noticed a significant reduction in the number of cars using our staff car park in the morning and at the end of the school day.

FREQUENTLY ASKED QUESTIONS (FAQ’s)
Q. What do I do if I believe my child is having problems with other children at school?
A. Speak with your child’s class teacher first. If that doesn’t lead to a satisfactory outcome, then make contact with one of our principal class officers – Henry Grossek, Sandra McCrum and Angela Maskery. Please do not approach other children or the parents of children with whom your child may be having issues. That tends to lead to more problems.

QUOTABLE QUOTE
‘Problems tend to expand the longer we keep them locked up in our heads. The problem with that is that there is only so much that we can keep in our heads before things implode, and that’s another problem.’

Henry Grossek

HARMONY DAY
On Monday, our State School Spectacular choir sang two songs at our morning assembly symbolising harmony and getting along. Our Art Club students made a very colourful banner with the word “HARMONY” spelt using paper plates which was on display at assembly. Today our whole school celebrated Harmony Day. It was fantastic to see so many students wearing orange or national costumes. It was wonderful to see the whole school come together celebrating every culture.

NATIONAL YOUNG LEADERS DAY
On Monday, our grade 6 leaders went to the Melbourne Convention and Entertainment Centre to listen to some very motivational speakers including Holly Ferling, Tim Diamond, Leisel Jones and Cal Wilson. The speakers highlighted the importance of collaboration and always saying yes to new experiences. The grade 6 leaders left feeling inspired and ready to take on new challenges.

ATHLETICS DAY
On Tuesday our grade 3 to 6 students participated in a fun and enjoyable house athletics day. The students dressed in their house colours, cheered on team mates and enjoyed rotating through the events. There were some very colourful costumes and we want to congratulate the children on their outstanding sportsmanship during the day! Thank you to the supportive group of parents who assisted or encouraged their children from the side lines. A big thankyou to Tanya Craig for organising another successful event.

PLANNING WEEK
On Friday 29th March our Planning Week begins for our teachers. During the week, each area team has the opportunity to work and plan together programs and events for term 2. When your child’s teacher is working hard with their team on planning day, the grade will be taken by one of our specialist teachers or a replacement teacher. We look forward to the wonderful programs our teachers will plan for next term.

TERM ONE FINISHES – 2.30pm Friday 5th April.

RESPECTFUL RELATIONSHIPS
The Department of education have mandated all schools to implement the Respectful Relationships curriculum. The Respectful Relationships curriculum primarily is within the Physical Education/Health and Personal and Social capabilities areas. Our school has a working team whom are implementing the curriculum across the school. For further information please read the following:

RESPECTFUL RELATIONSHIPS
What is Respectful Relationships?

Respectful Relationships is about tackling family violence through education.
Rosie Batty, CEO of the Luke Batty Foundation says, “The whole school community is an essential part of social reform by modelling a culture of respect through the whole school, not just by teaching respect in the classroom.”

In the classroom, children will learn problem solving skills, to develop empathy, support their own wellbeing and build healthy relationships with others. The initiative will also provide resources to best support children and staff who are affected by family violence.

When children build positive relationships with their teachers and peers they feel safer and happier at school, are more resilient and have positive attitudes. Positive relationships also increase a child’s sense of social connectedness and belonging which can result in better health and academic outcomes.

These age-appropriate and evidence-based materials are designed to enable teachers to develop student’s social and emotional capabilities to promote positive, healthy and respectful relationships. They provide teachers with handouts and activities for students that guide classroom discussion.

If you would like to hear why the implementation of this is so important, click on the link below and watch a short clip which outlines the importance of this approach in our schools.

If you have any questions relating to this, please ask either Sandra McCrum or Angela Maskery.

Art News!

Grade 5/6 Art Club runs each Thursday at 1.15pm. In Term 2, we will be focusing on Wakakirri props, in preparation for the Term 3 performance of Wakakirri. If there are any parents that would like to assist in some “bigger projects”, such as backdrop design/painting, please come and see Mrs Zammit in the art room. Thank you so much!

Another project we are working on, is making “Mug Hugs” with the grade 6 students, to hopefully send to a local community that has been impacted by the recent bushfires. The art room is after approximately 90 mugs (coffee/tea mugs). If you have any at home that are no longer needed or require a new home, this donation would be so appreciated.

Thank you

It was a hot and sizzling day but that did not stop the excited children at Berwick Lodge Primary School getting ready for their House Athletics Day. All we could hear as we walked to the basketball courts dressed in our house colours was the sounds of soooo many excited children. Dave thought, “This day is going to be amazing,” and we all agreed. As we approached the hurdles, Callum thought, “oh dear, this looks tricky for me!” He was nervous, he was scared, he was even terrified of those scary hurdles. But, showing his persistence to give everything a go, Callum lined up at the starting line. As the hand fell down, Callum knew it was time to run and he ran as if a giant monster was chasing him! It really helped because Callum made the final of the 8/9 boys hurdle race. In the final race Callum came second and won his first ever ribbon. “I was exhausted but really proud of myself” explained Callum to our grade.

Long jump, long jump, long jump chanted the students as they headed to the long jump pit. Marcus thought this activity would be uncomplicated as he had long legs to help him jump. Aidan thought the same thing! Charlie was worried she might face plant into the sandpit! Blessing was feeling petrified that she could not do the long jump. But when we all got to have our turn we discovered that it was a bit more simple than we had thought. In fact, Alysha, Dave and Esther even won ribbons at the long jump.

House Athletics Day was a long and exhausting day. We had competed in eight different events and our bodies were feeling really hot and sweaty. But we dragged ourselves to the basketball courts for the final part of the day. Miss Craig and the Sports Captains announced the best dressed and sportsmanship awards. Callum was awarded the sportsmanship award for 8/9 boys. It was a great way for him to end the day. All of our grade were so proud of ourselves, as we had all won a ribbon during the day and were excited to show our families. WE CAN’T WAIT FOR NEXT YEAR’S HOUSE ATHLETICS DAY!

Have you ever wondered why palm oil is often an environmental topic?

‘Palm oil’ is two words you may have heard in the news, on television or in relation to environmental changes around the world. **So what is palm oil and why is it having such a dramatic effect on our environment?** I have included below a paragraph from Planet Ark which talks about the problem with palm oil. The full article discusses how difficult it is when you are in the supermarket to make a decision about buying products without this ingredient and some recommendations of how consumers can make informed choices.

**The problem with palm oil**

Palm oil plantations, primarily found in Indonesia and Malaysia, often contribute to deforestation and can cause the destruction of the natural habitat of threatened species such as elephants, rhinos and tigers. The Sumatran and Bornean orangutans, which are both critically endangered, have been particularly affected by the growing palm oil industry. The unsustainable clearing of these tropical forests has also displaced native communities and contributed to climate change through deforestation and the peat fires often used to clear land for plantations. To read more, please refer to the link below:

Our sponsor child, Amira, lives in Indonesia and if we can all make small changes to help the environment then we will also be helping communities in which families live.

Happy Gardening,

Mrs. McCrum
We still have several students who haven’t returned their **ASTHMA PLANS**. If your child has asthma, it is a requirement that a new form be completed by your local doctor every 12 months. If your child no longer has Asthma, you will need a letter from your doctor stating this so we can remove the medical data off our computer. If you have misplaced your Asthma plan form, please call into the office for a new one.

All orders need to be placed online by 3pm Friday 22nd March 2019. If you have misplaced your catalogue, you can collect another one from the library.

The last canteen day for term 1 (inclusive) is Friday 5th April and your first canteen day for term 2 is Friday 26th April 2019.
There was a slight price increase at the start of the year, so below is the updated version. This menu can be found on the parent portal and also on the BLPS website.
