Principal’s Report

Thank You
After four and a half years at our school, Lachlan Gilbert, our ICT technician, is leaving us to take up an exciting career opportunity at Elwood Secondary College. In wishing Lachlan all the very best, on behalf of all staff, I wish to thank him for the wonderful contribution he has made to the operation of our computer systems. Lachlan has always shown a keen interest in assisting us in technological areas beyond his initial brief – for example, radio production and for this we are also very grateful.

Facebook: Live Streaming
With thanks to Robert Kelly, we have now introduced live streaming to our Facebook service. Most recently, live streams of our Step Into Prep Night (last week) and our Grade 3 camp information evening (yesterday) can be accessed. Please check as often as you like for we will be increasing the live stream input form now on.

Frequently Asked Questions (FAQ’s)
Q Is “Arnold the Turtle” being replaced with another turtle?
A. No he is not. Sadly, we lost Arnold, our resident turtle during the last school vacation. Arnold passed away quietly during the break. We have replaced Arnold with quite a number of brightly coloured fish, all of whom provide a kaleidoscope of eye-catching movement in the fish tank in our foyer.

### HAVE YOU CHANGED YOUR ADDRESS OR PHONE NUMBER?

Please ensure you let the school office know if you have changed address or updated mobile phones with new numbers. This information alleviates stressful situations for students when they are ill and we cannot contact parents.
The Victorian Curriculum is what teachers use when planning their teaching and learning programs and assess against when writing student reports. The Victorian Curriculum F–10 includes both knowledge and skills. These are defined by learning areas and capabilities. Teachers plan learning opportunities in each of these areas, laying the foundations in Prep and progressing through different standards of achievement. This curriculum design assumes that knowledge and skills are transferrable across the curriculum and therefore are not duplicated. For example, where skills and knowledge such as asking questions, evaluating evidence and drawing conclusions are defined in Critical and Creative Thinking, these are not duplicated in other learning areas such as History or Health and Physical Education. It is expected that the skills and knowledge defined in the capabilities will be developed, practised, deployed and demonstrated by students in and through their learning across the curriculum. Further information can be obtained from the website:

Student reports will be published via the parent portal after 3.30pm on Friday 28th June.

**NATIONAL BUDDY DAY**

On Thursday 20th June, our whole school will participate in the ‘National Buddy Day’. On the day, students will participate in a range of activities with their buddy grade. Students can wear purple on this day and donate a gold coin to the Alannah & Madeline Foundation. At Berwick Lodge, we highly value our association with the Alannah & Madeline Foundation and recognise the great benefits of the Better Buddy Program.
PLANNING WEEK
Planning week starts on Thursday 21st June. Every team across the school has a day to work together and plan the curriculum for the following term. The classroom teachers are replaced by our specialist team or relief teachers on planning day. We look forward to the wonderful programs our teachers will plan for our students.

LAST DAY OF TERM
Friday 28th June is the final day of term and we finish school at 2.30pm. Term 3 starts on Monday 15th July.

DRAGON BOAT FESTIVAL
A very BIG THANKYOU to Ms Wen Tian our Mandarin teacher for organising a fantastic Dragon Boat Festival last Friday. The students enjoyed participating in the workshops run by the Confucius institute and learning about the Dragon Boats. Miss Thomas did a great job in teaching the grade 3 and 4 students a fan dance which they performed at assembly. It was great to see so many students wearing red or a Chinese costume. Congratulations to our Mandarin captains, Andrea G and Dylan M for comparing the whole assembly.

LIFE EDUCATION VAN
All parents are welcome to visit the Life Education van between 9am to 9.30am on Monday 17th June and also Monday 24th June. Please email the school if you would like to attend

Sandra McCrum and Angela Maskery.

With the onset of wet weather we have had a dramatic increase in students needing to borrow clothes from sickbay. If your child borrows clothes, please wash and return them as soon as possible. If your child has been given underwear from sickbay, please replace these with a new pair as we are unable to reuse these due to health regulations. It is best to keep a spare set of clothing, including underwear and socks, in your child’s bag as we have limited supplies in sickbay.

Also there are many viruses going around at the moment. If your child is feeling unwell with flu like symptoms, it is best to keep them at home to recover.

This year we are participating in the Wakakirri Story Dance Competition and we would love your help. As the aim is to re-use and recycle we are after some costumes that you may have at home and could kindly donate or lend to us for our performance.

Our Story this year is centred around ANZAC day and the football game that is played between Essendon and Collingwood.

Some of the items you could help and donate to the Performing Arts room are:

- School Dresses (Larger sizes) – These will be dyed so cannot be returned
- Essendon and Collingwood jerseys/scarves (we can return these after the performance)
- Military wear – Hats, Jackets, Pants
- Spare material – White, Black, Green, Brown

If you have any of these items we would appreciate your help. If you would like your items returned, please name them clearly and we will return them after the performance.

Thank you for your support.
