PRINCIPAL’S REPORT

BUDDY DAY
What a great time we all had today – National Buddy Day, sponsored by the Alannah & Madeline Foundation, for whom we were an Ambassador School for a number of years. Children across the school participated in a variety of activities with their ‘buddy’, and in having a good time, hopefully further strengthening the camaraderie between them. Why not ask them how their Buddy Day was when you have time.

‘TWO OUT OF THREE AIN’T BAD’ SO THE SONG GOES!
One of American musician, Meatloaf’s signature pop songs from his 1977 award winning album, Bat Out of Hell, titled, Two Out of Three Ain’t Bad, remains one of my many favourite songs of that era. It also provides me with an opportunity to acknowledge success and gently point out an improvement area. Always wishing to end on a positive note, I’ll start with the improvement area. I’ve been made aware that some of our parents are again using the Mansfield Street Milkbar car park to park their cars while waiting to pick up their children after school. It is a private car park, for use by customers of the milkbar. Please take this into account when finding somewhere to park your car when collecting your children from school. Now onto the praise! Thank you to all the children (and their parents in some cases) for remembering to bring back library books on loan. Mrs Collinson has informed me that this term she has a very small quantity of outstanding library books, smaller than usual. Secondly, it’s great to see so much of the lost property that we laid out in the main corridor has been collected already.

BUDDY DAY
Today we are celebrating National Buddy Day! A day when Better Buddies schools around Australia take a stand against bullying by celebrating the importance of friendships. National Buddy Day is an annual event developed by The Alannah & Madeline Foundation, to promote awareness of the Foundation’s Better Buddies Framework and help reduce bullying in primary schools. All the children will spend some time throughout the day reflecting on what makes a good friend and complete some fun, engaging activities with their buddies. The money raised will be donated to the Alannah and Madeline Foundation.

SCHOOL ATTENDANCE
Going to school every day is the single most important part of your child’s education. Students learn new things at school every day. Students who are regularly absent from school are at risk of missing fundamental aspects of their educational and social development. The Victorian Government’s “Everyday Counts” initiative promotes the fact that regular school attendance enables students to maximise their full potential and to actively participate and engage in their learning. It is important that children develop habits or regular attendance at an early age. Children with attendance of 80 per cent or less (that is, 40 days or more absenteeism per year) may be significantly disadvantaged in their learning. If you are having attendance issues with your child, please let your child’s teacher know so we can work together to get your child to school every day. Our Welfare Officer or school staff will contact you if there are any concerns about your child’s attendance or punctuality. Remember EVERYDAY COUNTS!

LATE ARRIVALS
Student punctuality is equally important. At the beginning of the day students are informed of the day’s program, events and important instructions are often given. Students arriving late to school (after 9.00 am) also disrupt the class they are in, as they get organised and settled for the day. Your co-operation on this matter would be greatly appreciated. 9.15 am is the cut off time for late arrivals. After 9.15am students will be recorded as being late for school. A student arriving late to school must sign in at the office and their late arrival will be recorded on the daily attendance roll. Parents/Guardians must provide a reason for their child arriving late to school.

LOST PROPERTY
The lost property items have been placed along the main corridor this week. Please take the time to look for any items of lost clothing. Any items that are left at the end of term will be taken to the op shop.

PLANNING WEEK
Planning week begins tomorrow and continues through to Thursday next week. Teachers have a day to plan the curriculum program with their team for next term. On the designated planning day, the specialists or CRT teachers will take the grade. We look forward to the exciting programs our teachers are working hard to plan for next term.

Wakakirri 2019

This year we are participating in the Wakakirri Story Dance Competition and we would love your help. As the aim is to re-use and recycle we are after some costumes that you may have at home and could kindly donate or lend to us for our performance.

Our Story this year is centred around ANZAC day and the football game that is played between Essendon and Collingwood.

Some of the items you could help and donate to the Performing Arts room are:
- School Dresses (Larger sizes) – These will be dyed so cannot be returned
- Essendon and Collingwood jerseys/scarves (we can return these after the performance)
- Military wear – Hats, Jackets, Pants
- Spare material – White, Black, Green, Brown

If you have any of these items we would appreciate your help. If you would like your items returned, please name them clearly and we will return them after the performance.

Thank you for your support.
