Assistant Principals’ Report

NAPLAN:
This week all students in grade 3 and 5 who completed NAPLAN have received their report. NAPLAN gives a snapshot of your child’s performance on the days of the assessments and the results should be interpreted with care. There are many reasons why students’ results may vary. Some students may perform much better than expected when compared against their regular classroom assessment results, while other students may not perform as well as expected.

If you have any questions or concerns about your child’s NAPLAN results, please discuss these with your child’s teacher, who will have the best insight into your child’s educational progress. A parent information pamphlet is available which explains the report via the following link:

GRADE 3 CAMP
Next Monday our grade 3 students will depart for camp at Phillip Island. We look forward to hearing all about their adventures upon their return to school on the Wednesday.

LOST PROPERTY
Lost Property will be on display in the corridor of the main building during the last two weeks of term. Students will be encouraged to visit the collection in order to identify items of clothing that may belong to them. Parents are encouraged to come in after school and have a look through the collection. Lost items left at the end of the term will be passed on to the local Opportunity Shop.

ESAFTEY WEEK
Keeping children safe online is easy with a few simple precautions.
1. Nothing replaces parental supervision and education for children about cybersafety.
2. Set a technology curfew.
3. Remind your child to never give out identifying information such as your home address, school name or telephone number in a public message such as chat or newsgroups.
4. If your child posts photos online, use privacy settings to limit access to people they know well.
5. Remind your child that people don't always tell the truth online, and they can't take anything at face value.
6. Reassure your child that they can tell you anything, without fear of losing the laptop or internet access.
7. If they get a message or email that's threatening or rude, they should ‘STOP, BLOCK, TELL’. First step is to tell your child to stop responding to the abuse and then block those people sending threatening or rude messages if they continue. Let your child know that if they are being bullied, or know someone else who is, they should tell a trusted adult.
8. Never click on any links that are contained in emails from people they don’t know. They could contain inappropriate material and/or a computer virus.
9. If you suspect your child has been contacted by a predator, try to save a copy of the chat log (or whatever form the contact takes) for evidence. Call Crime Stoppers 24-hour line 1800 333 000 to make a formal complaint.
10. Your child will be using computers and the technology for the rest of their lives – you’re in the great position of being able to get them off to a safe, positive start.

WAKAKIRRI – GOOD LUCK
We wish all our students and teachers good luck for next Thursday when they perform in the State Finals for Wakakirri. This is a wonderful achievement for our school and congratulations, regardless of the outcome to the whole team and in particular to Miss Thomas for her leadership. We wish everyone good luck or as they say at Wakakirri – “Chookas”!

RESPECTFUL RELATIONSHIPS

TOPIC 7: GENDER AND IDENTITY
Learning activities within this topic assist students to challenge stereotypes and critique the influence of gender norms on attitudes and behaviour. They learn about key issues relating to human rights and gender identity, and focus on the importance of respect within relationships. The activities promote respect for diversity and difference.

TERM 3 ENDS – FRIDAY 20th SEPTEMBER at 2.30pm.
Term 3 ends on Friday 20th September at 2.30pm. Please make arrangements for your child to be booked into the after school care program if you are unable to collect them at this time.

VICTORIAN SCHOOLS GARDEN AWARDS PROFESSIONAL DEVELOPMENT VISIT

Last Friday, we had 25 visitors from many different schools come and visit our school gardens. The teachers were at Berwick Lodge to learn about our award winning gardens and how we have developed them over the past 5 years.

Andrew Smith from Warner’s nursery provided a presentation about plants. Warner’s are a local nursery and they provided the plants for our grade 5/6 Outdoor Common Room Garden, our newest garden which is located near the grade 5/6 building.

Richard Bellemo, from RB Landscapes, one of the top landscapers in Victoria also made a presentation about landscapes and gardens. RB Landscapes created the Children’s Playscape Garden at the International Flower and Garden Show in Melbourne earlier in the year.

The visitors toured our gardens and shared information about their school gardens. Our visitors were very impressed with our gardens and the opportunities our students and staff have to work and learn from nature. Richard in particular commented on the Sensory Garden and how well it is designed to engage children. After spending the morning at Berwick Lodge, the visitors then toured Cornish College gardens.

We had several students join our visitors for the tour and they were outstanding ambassadors for our school and their knowledge which they shared about our gardens was fantastic. A big thank you to our grade 6 students, Will, Ally, Lachlan, Ava, Leyla and Nathan for welcoming our visitors and to Felix, Faith, Tess, Emily, Natalie, Jensen and Ella for accompanying our visitors as they toured the gardens. Everyone was very impressed with our students’ knowledge and passion about our school and gardens.

GRADE 5-6 OUTDOOR COMMON ROOM GARDEN

Have you seen the latest editions to the grade 5/6 garden? We have recently installed a marble run and blackboard for our students to use. The gardens have been mulched and a few new plants planted by the students. The grade 5 and 6 students have been great in assisting with planting and spreading mulch. Over the next few weeks we hope to install a second marble run. Items still to come include a giant Jenga set, outdoor dominoes and tepees. A big thank you to families who have donated Yoga Mats for our students which they are now using within the garden. Please come and have a wander down the side of the grade 5/6 building and see the garden as it grows.
RECYCLE/REUSE – MULCH FOR OUR GARDENS

Last Thursday we had two trees cut down within our school grounds. These were diseased and needed to be removed. All the mulch from the trees was delivered into our Sensory Garden and will be utilised within our school grounds. Some of the timber logs are being used as small seats in the grade 5/6 garden. We will be planting some new trees to replace the lost ones. There was great excitement when the students saw the pile of mulch which had steam coming off it as it was quite a cold morning! Many students have been assisting in moving the mulch to areas within the Sensory Garden. It is great for students to understand why we use mulch on our garden to assist with retaining water and this cuts down on the need to water during the warmer months.

NEW SIGN IN THE SENSORY GARDEN

As a part of the final section of the Sensory Garden, we are developing a dinosaur discovery area. This will include a dinosaur dig, giant pterodactyl nest, and our new sign to educate our students and community. A big thank you to Mr. Kelly for designing the sign.

WANTED:

Rope approximately 2cm in diameter or larger and at least 4m lengths. We would like to replace the rope on the Community garden bridges. If you can assist, please speak to Mrs. McCrum or leave the rope at the office.

Happy Gardening, Mrs. McCrum.

The PFA have worked hard to help deliver two great events so far this term – the JSC’s Daffodil Day disco and the PFA’s Father’s Day stall.

We were really impressed with the JSCs fundraising and the happy buzz and fun dancing at the disco – a big shout-out to Hayden L from 6P who did a rock star job as DJ for the event and helped get everyone up on their feet! The parent helpers have since recovered from all their boogying and the wall decorations from the disco have been donated to Miss Thomas.

Our Father’s Day stall last week was a hit too – over 900 gifts were purchased and the PFA raised over $1000 from the event. Most importantly, we had 25 AMAZING parents come along to help on the day, which meant that the event ran smoothly, with plenty of smiles and good will. A special thanks to the awesome PFA team for again digging in, preparing the gifts and running around on the day.

Next up for the PFA is our popular Fun Run and bbq fundraiser, plus we’ll be hosting a parent information session in October, on the topic of ‘what anxiety looks like in children’.

You can join the PFA at any time – it’s a great, low fuss way to meet other local parents. Just complete the membership form that’s available at the office.
Cheers
Christine

thank you
On Monday the 2nd of September, we had the Australian Red Cross people come. They told the grade 3’s how to prepare and get ready for an Emergency. They gave each of us a little pouch with lots of activities and a pillow case. They gave us a pillowcase because they are used to put the important stuff you need for an Emergency.
Chantelle 3M

On Monday 2nd September 2019 the Red Cross Safety people came to the grade 3’s. They brought pillowcases. They got it from Disney. We used Fabric Textas to colour in the pillowcase. I learnt that you need to be prepared and be wise of what important things you need for a dangerous emergency.
Randall 3M

On the 2nd of September we had a pillowcase incursion. We had some visitors come to tell us about emergencies and what to bring in an emergency. We learned to bring certain things in an emergency. So that’s medicine, phone, band aids, first aid kit and so on.
Quinn 3M
