PRINCIPAL’S REPORT

CAR PARKING ISSUES: CYRIL MOLYNEUX RESERVE CAR PARK
The number of car parking spaces in the Cyril Molyneux Reserve car park has been temporarily reduced due to the grounds work being undertaken in the baseball park. This has led some parents to double park their cars behind other cars when picking their children up after school. Several frustrated parents have brought this to my attention. It is self-evident that this is unacceptable and in reminding everyone of that, I do empathise with you on the inconvenience this reduction in car parking spaces there is causing. Nonetheless, please refrain from double parking in the car park in future. There are side streets within walking distance of our school that can be accessed as an appropriate alternative for the time being. By the way, do not use the Mansfield Street milk bar car park unless you are purchasing produce from there, because it is a private car park for use by customers only.

CHILD SAFE CODE OF CONDUCT
The Child Protection and Child Safe Standards require that all staff, parents and volunteers at all schools observe child safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below:
Our website link to Child safe policies is as follows:
https://berwicklodgeps.vic.edu.au/community/#safety
Please familiarise yourself with these requirements.

FREQUENTLY ASKED QUESTIONS (FAQ’s)

Q. Can the volume on our loudspeaker system be lowered as it seems very loud?
A. Yes it can, but that in itself creates other issues. Our school has been provided with an integrated internal and external speaker system, meaning that we cannot isolate the two systems, nor can we lower the volume in selected speakers, such as those near classroom exit/entry doors. It’s a case of ‘one in - all in’ with our speakers. Lowering the volume on all of them then presents us with the problem that messages internally may not be heard and externally, children playing on the oval for example, may not hear the speakers as readily at the end of play periods. The cost of upgrading our speaker system so as to isolate individual speakers is beyond our budget at the moment. As a stop gap measure I have switched one speaker off outside the Prep classrooms.

There will be working bee on Monday 24th February in the community garden straight after whole school assembly. All parents are welcome to assist, including toddlers. We aim to conclude by 10.30am and then catch up for a tea or coffee in the staff room.

RESPECTFUL RELATIONSHIPS
The Royal Commission into Family Violence identified the critical role that schools and early childhood education have in creating a culture of respect to change the story of family violence for future generations. Everyone in our community deserves to be respected, valued and treated equally. We know that changes in attitudes and behaviours can be achieved when positive attitudes, behaviours and equality are embedded in our education settings. Respectful Relationships is about embedding a culture of respect and equality across our entire community, from our classrooms to staffrooms, sporting fields, fetes and social events. This approach leads to positive impacts on student’s academic outcomes, their mental health, classroom behaviour, and relationships between teachers and students. Together, we can lead the way in saying yes to respect and equality, and creating genuine and lasting change so that every child has the opportunity to achieve their full potential.

BERWICK SHOW
Berwick lodge will have a small technology display at the Berwick Show this weekend. We will be demonstrating some of the programs and technology that we offer to the students at school.

It's the department of Educations guidelines that these forms are completed within a calendar year, so families are asked to take these forms to their local G.P to have them signed.

If your child has vomited, please keep them at home for at least 24 hours after the last time they have vomited. This ensures the germs don’t spread.

Headlice is also rife at the moment. We ask that all families regularly check their child’s hair and treat accordingly should they find any eggs or live lice.

Spare clothes and underwear - if your child has been given clothing from sick bay, please wash and return these. All underwear given is new however these cannot be returned, so please replace them with a new pair.

CSEF FUNDING NOW AVAILABLE

FINANCIAL ASSISTANCE
INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMP, SPORTS & EXCURSIONS FUND (CSEF)
School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
• $125 for primary school students
• $225 for secondary school students

HOW TO APPLY
New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child’s school in 2019, you do not need to complete an application form in 2020 unless there has been a change in your family circumstances. You only need to complete an application form if any of the following changes have occurred:
• new student enrolments; your child has started or changed schools in 2020 or you did not apply in 2019.
• changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2020.

Check with the school office if you are unsure.

Dear School Community,

Uniform supply update: Impact of Coronavirus

We are sorry to inform you that we are currently experiencing delays in our warehouse and production due to circumstances out of our control. Due to the recent events involving the Coronavirus, our production facilities overseas, shipping companies and Australian customs are taking necessary precautions to protect us and our customers. As a result, we are experiencing severe delays in certain items of inventory. If any of your School community has concerns or questions, please advise them to contact us.

We apologise in advance for where we are unable to give you solid timelines, or changes occur suddenly as a result of these events.

We are endeavouring to determine solid ETAs as soon as possible, as well as exploring alternative options to ensure that we minimise the impact this has to your School Community where we can.

Thank you for your support and patience during this time,
