SCHOOL COUNCIL ELECTIONS UPDATE
As of today I have received four (4) nominations for the Parent Category vacancies, having a total of six (6) vacancies. We have until 4.00pm tomorrow to secure a minimum of six (6) nominations, otherwise I will be extending the timeline for receiving nominations by one week. If you are considering nominating, please do so or contact me at the school for further information before 4.00pm tomorrow. In the event that I will be extending the closing time for receiving nominations, this notification will be made available on Sentral, tomorrow via the Parent Portal.

SCHOOL COUNCIL ELECTION TIMELINE 2020
Friday 28 February 2018 at 9.00am – Nominations Open
Friday 6 March 2018 at 4.00pm – Nominations Close
Friday 20 March 2018 at 4.00pm – Ballot Closes (if required)

In the event that we do not receive sufficient nominations in both categories by the close of nominations on Friday 6 March 2020 at 4.00pm, then I will extend the timeline for receiving further nominations by one week.

Should we receive more nominations than vacancies in either or both categories, then a formal election ballot will be conducted with all parents having the opportunity to vote for the Parent Category nominations and/or staff will have the opportunity to vote for the Staff Category nominations.
HAVE YOU CHANGED YOUR ADDRESS OR PHONE NUMBER?

Please ensure you let the school office know if you have changed address or updated mobile phones with new numbers. This information alleviates stressful situations for students when they are ill and we cannot contact parents.

PRINCIPAL’S REPORT

In the event that I receive exactly the number of nominations in either or both categories, then I will declare those nominated persons duly elected on 6 March 2020.

Please note that you can self-nominate or have other members of the category of which you are a member, nominate you. Nomination forms are available on request from our office.

Retiring members of school council are eligible to be re-elected provided they are still eligible — that is, have a child still in attendance at our school if you are a parent, or work for a minimum of 8 hours per week for Department of Education & Training (DET) members.

FREQUENTLY ASKED QUESTIONS (FAQ’s)

Q. What is the process for parents wishing to meet with their children during school hours including during recess and lunch break?

A. All visitors to the school, whatever their purpose must sign in via the main office first. For obvious security and safety purposes this is non-negotiable.

QUOTABLE QUOTE

‘Whilst we all yearn for some measure of certainty in our lives, so many of us spend so much of our time other than in the present moment - interesting indeed!’

RESPECTFUL RELATIONSHIPS
What is the extent of gender-based violence? Gender-based violence is often hidden, rarely discussed and often perpetrated by someone known to the person. Evidence shows that:
- One in three women have experienced physical violence since the age of 15 (National Council to Reduce Violence against Women and Their Children 2009).
- Almost one in five women have experienced sexual assault since the age of 15 (National Council to Reduce Violence against Women and Their Children 2009).
- One in four children and young people in Australia witness or live with family violence in their home (Australian Institute of Criminology 2001).
- Girls and young women aged 15 to 24 are the most likely of all age groups to experience sexual assault (Australian Bureau of Statistics 2006).
- Women are mostly assaulted by men they know, often in their own home, in circumstances where they may well be subject to repeated assaults over time (National Council to Reduce Violence against Women and Their Children 2009).
- Approximately 78.1 per cent of Victoria Police family violence incident reports involved men who had used violence. Men’s use of family violence is overwhelmingly directed towards women (Victorian Law Reform Commission 2004).
- Intimate partner violence is the leading contributor to ill-health, death and disease for Victorian women aged 15 to 44 (Victorian Health Promotion Foundation 2004).
- Gender-based violence was estimated to cost the Australian economy a total of $13.6 billion in 2009 (National Council to Reduce Violence against Women and Their Children 2009).
- According to police reports, there were 17,964 incidents of sexual assault nationally in 2002. However, according to the ABS Personal Safety Survey (2006), there were 65,700 incidents of sexual assault against women in 2002.
- For same-sex attracted young people (SSAY), 44 per cent reported they had been verbally assaulted, 16 per cent reported they had been physically assaulted, and 74 per cent of the assaults were reported to have happened at school (Hillier et al. 2010).
- Although there has been some attitudinal change towards violence against women, there are still key community attitudes that indicate a level of acceptance (Victorian Health Promotion Foundation 2010).

THE MUSIC BUS PROGRAM
The Music Bus is a mobile classroom which visits the school, offering weekly, separate lessons to our school program. The Music Bus will be visiting our school on Tuesday 17th March for a demonstration day. The lessons are separate to our school Performing Arts program which all children participate in, regardless of the Music Bus program. On demonstration day, all students will have the opportunity to visit the bus at no cost. Parents are invited to visit the bus from 8.20am to 9am on the morning to find out about the program. The bus will be parked in the staff car park.
Students will take home an expression of interest form and if you are interested in your child participating in the Music Bus program, please return the form to school by Monday 23rd March. After the demonstration day, parents can sign their child up for lessons in keyboard, drums, ukulele, singing, and guitar or rock band. The cost varies from $18 to $20 for a 30 minute lesson depending on the instrument. Students signed up to the Music Bus will then come out of their normal class times to have lessons. Further information can be found via their website: www.themusicbus.com.au

Sandra McCrum and Angela Maskery
THANK YOU
On Monday 2nd March we had a small group of enthusiastic parents and grandparents assist Mrs. Naismith in the Community Garden. It was wonderful to see what was achieved in a small amount of time. They weeded and tidied the garden in preparation for our students to be able to plant in the coming weeks. A BIG THANK YOU to the families who attended and also to Mrs. Naismith for her assistance. Please keep an eye out for future activities, all assistance is welcome. Thank you to the PFA for supporting our first working bee of the year.

COMPOSTING PROGRAM
Our grade 4 students assist with our school wide composting program every day. All food scraps from classrooms are placed into the compost bucket, which is then taken to the compost bays in the Community Garden. The food scraps over time are eaten by the worms and thus becomes wonderful soil. The soil is then emptied from the compost bays, back into the garden beds. Recently we emptied a compost bay into the garden beds and students were amazed at how many small pieces of plastic were still there, even after at least 12 to 18 months of composting! For this reason, we strongly encourage families to pack a ‘nude food’ lunch box. I hear you ask, what is nude food? Nude food comes without wrappers, plastic and in containers which can be washed and reused. To assist with our composting program, we strongly encourage you to embrace nude food every day and recycle packaging at home. Please read the included flyer about Nude Food and support our goal for a healthier, litter free planet.

GARDEN CLUB
Our school garden club is up and running currently for our grade 1 to 6 students. The Preps will be invited to participate from early next term. Garden club usually meets in the Community Garden weekly and weed, rake, water, dig, plant, investigate and generally enjoy being outdoors. Sometimes we look for worms, snails, lady bugs and other creatures and other days we may be collecting autumn leaves around the school for our compost. We move and spread mulch, water plants, weed garden beds, propagate plants, plant seeds and generally just enjoy being within the garden. We have currently had the Community Garden closed whilst we weed and get the area ready for planting. Michael, our new school handyperson has been assisting in the garden and getting the area ready. This year, we will continue to replace some of the timber boxes, prune our fruit trees and have grades plant a range of vegetables. We have a few exciting things planned throughout the year and Mrs. Naismith and Mrs. Barry are assisting Mrs. McCrum with garden club this year. If your child is interested in garden club, encourage them to come to the garden when they hear the announcement on a Thursday lunchtime or speak to one of the teachers involved.

Happy gardening, Mrs McCrum

What is Nude Food?

Nude Food is simply food that is not wrapped in foil, plastic or commercial packaging.

The best type of nude food consists mainly of fresh food, so that it is healthy and nutritious PLUS environmentally friendly.

Promoting Nude Food empowers students to make conscious choices about what they eat, and encourages them to think about their impact on the environment (and their health). You might be amazed with how enthused your child can become on this...

To pack a Nude Food Lunch or Snack, you will need:
- Cutlery from home is better than throwaway plastic ones
- Plastic or metal drink bottles are recommended for refilling with water
- Reusable containers for putting all of your food, snacks and drinks into
- Lunch boxes that have lots of separate sections can be useful to avoid lost lids or containers

Try to avoid:
- Zip lock or plastic bags, plastic wrap or aluminium foil
- Tetra packed drinks, single serve yoghurts and cheese
- Single use plastic forks and spoons
- Prepackaged food, i.e. biscuits, snack bars and chips

Tips for Packing Nude Food Lunches:
- Try to involve the kids in helping decide what to take. This will help to avoid uneaten foods being thrown out, plus will save your family money as well. Also, remember to praise your child if they do eat something healthy which is new for them.
- Try to pack the lunches the night before and store in the fridge overnight to avoid the mad rush in the morning.
- If your child normally enjoys chips, yoghurt or other prepackaged snacks, buy these in a larger format and you can decant these into smaller reusable containers or lunchbox.
- If your child does enjoy chips, why not try making your own veggie versions using sliced beetroot, parsnip or sweet potato and baking in the oven?
- Try to use fruit and vegetables that are in season. Seasonal produce is friendly to the environment as well as to your budget, as less fuels are used to transport it into your supermarket.

We have one (1) Allergy form and 18 Asthma forms still outstanding!

It's the department of Education's guidelines that these forms are completed within a calendar year, so families are asked to take these forms to their local G.P. to have them signed.

If your child has vomited, please keep them at home for at least 24 hours after the last time they have vomited. This ensures the germs don't spread.

Headlice is also rife at the moment. We ask that all families regularly check their child's hair and treat accordingly should they find any eggs or live lice.

Spare clothes and underwear - if your child has been given clothing from sick bay, please wash and return these. All underwear given is new however these cannot be returned, so please replace them with a new pair.
Do you hold a concession card? You maybe eligible to apply for CSEF funding worth $125.00 per student. If you are new to our school or have a child just starting with us in 2020, you will need to apply for this. Please see our friendly office staff for the form.

School Crossing Supervisor of the Year Award

As part of our commitment to the ongoing safety of your students, School Crossing’s Victoria, together with your local council, is looking for the ‘Supervisor of the Year’ 2019/2020.

There are seven regions across the state. A winner will be selected in each region, and the overall winner, will be selected from the regional winners. The winner of the 2017/2018 Supervisor of the Year is Margaret Coulson from the City of Greater Geelong and School Crossing’s Victoria would like to enlist your help to boost this year’s nominations.

It is our goal to reach as many parents, residents and school staff as possible and by involving them in the nomination process encourage all road users to think about, and reward, the active role the Supervisors play in the safety of their children.

Your support of this program will help ensure your Crossing Supervisor is shown the appreciation they deserve. We would appreciate if you could include the attached advert in your next school newsletter.

Nominations are open now, and close on Friday 8th May 2020 go to the School Crossings Victoria website www.schoolcrossingsvictoria.com.au and complete an online nomination.

Thankyou for taking the time to read this letter and I hope you will be able to support this initiative.
