

SCHOOL COMMUNITY CODE OF CONDUCT

Rationale

At Berwick Lodge Primary School we promote the values that are in keeping with school's mission statement. All students, parents, teachers and staff have the right to be safe, and feel safe, in their school community. With this right comes the responsibility to be law-abiding citizens and to be accountable for actions that intimidate or put at risk the safety of others or oneself. This includes behaviour that may be considered anti-social.

For the purpose of this Code of Conduct "School Community" comprises the principal, staff, coaches, parents, guardians, step-parents, relatives, friends, supporters, carers and invitees of the school, who attend at the school, or elsewhere, for the purposes of visiting, viewing, participating, supporting or being present for any official, sporting or social activity held by or for the benefit of the School and its students. (There is a separate "Student Code of Conduct" that all applies to all students from Prep to Grade 6.)

The School Community Code of Conduct sets clear standards of behaviour that are expected of members of the school community. It specifies the consequences for any member of the school community who does not comply with those standards of behaviour, whether those persons are on the school's property, in transit or at another location for the purpose of any school-authorized events or activities.

Aims

For all members of the school community:

- to be treated with respect and dignity
- to be safe and feel safe
- to behave with respect, civility and in the manner of a responsible citizen.

Implementation

This Code of Conduct is a guide for all members of the school community about the standards of behaviour that are acceptable in the school environment or when attending any official, social or sporting function or activity of or relating to the school or in any location at which the school is represented.

As a minimum, all school community members must:

- Respect the legal and moral rights of others
- Show the proper care and regard for school property and the property of others

- No parent or guardian should ever directly approach a student regarding a conflict. If a parent or guardian has a concern, always seek staff assistance.

Co-curricular Activities

This part of the Code of Conduct specifically deals with attendance at co-curricular (eg: sport, drama, music) activities. The following are statements of principle with which our school community are expected to comply:

- Young people should be taught that honest effort is as important as victory, so the results of each game are accepted
- Never ridicule or yell at any student for making a mistake or losing a game

- Do not publicly question the referee or game official's judgement or his/her honesty
- Support all efforts to remove verbal and physical abuse from co-curricular activities
- Recognise the value and importance of volunteer coaches, managers and referees.
