

CURRICULUM POLICY

Basic Beliefs

Curriculum covers all the arrangements the school makes for students' development and learning. It includes the course content, student activities, teaching approaches, the way in which teachers and classes are organised and decisions on the need for and the use of facilities and resources.

Our school encourages its students to strive for excellence in all of their endeavours. To achieve this, the school provides sequential teaching and learning programs that deliver a comprehensive and inclusive curriculum.

Each year the school will plan and implement its curriculum programs which will be documented in whole school and area planners.

Recommendations

Every year our school will complete an audit of the Foundation to Year 6 curriculum using an audit tool. This tool will enable professional learning teams to audit the curriculum of a particular program to see which learning modes, strands and standards of the Victorian Curriculum are currently being addressed. This audit will inform future curriculum planning.

Responsibility for Implementation

The Curriculum Development Team will be responsible for the implementation and continuous monitoring of the policy.

Date Passed by School Council

The Curriculum Policy was passed by School Council on 20th June 2022.
