### **Inclusion and diversity**

Berwick Lodge Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Berwick Lodge Primary School was established in February 1990, the school is in its thirty-first year of operation. Located in the South East suburban growth corridor of Melbourne, Berwick Lodge Primary School is drawing pupils from a range of areas outside its already fast growing catchment area, with 70% of all new enrolments each year, being from out of neighbourhood areas.

Currently the school has a total population of 585 students, with a staff of 53. Of this figure 34 members are teaching staff and 15 are non-teaching staff.

Less than 30% of children, belong to families who speak a language other than English at home. Our School Family Occupation (SFO) density has remained consistent since 2004, with our 2015 SFO at 0.3877.

The school currently has 16 students funded under the program for students with disabilities and 3 students in Kinship Care.

Berwick Lodge Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Berwick Lodge Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Berwick Lodge Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Berwick Lodge Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, graduation) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Berwick Lodge Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and*

*Engagement and Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

### **Reasonable adjustments for students with disabilities**

Berwick Lodge Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact Assistant Principal / Wellbeing Coordinator for further information.
