2KH Interviews – scheduled for Thursday 9th March. These interviews will be held in our conference room. Students in this class are required to attend school as per normal.

STUDENT MEDICAL EXCURSION FORMS

Every year we require an updated medical excursion form to be completed and returned to the school. This allows students to attend excursions, camps and other activities that are off site during school hours. An email, with the form attached was sent out to all parents at the beginning of the year requesting it be filled out and returned however, there are still quite a few outstanding forms. If you have not done so, please complete this for your child/ren and return to the school as soon as possible.

Reminder – school photos will be held on the Tuesday 28th February.

LEARNING FOR LIFE...

PRINCIPAL'S REPORT

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

New applicants should complete the form attached to the email that was sent to all families earlier in the week or download the form from the parent portal under School Resources. Please complete the form electronically and then return by uploading the completed form via the portal or alternatively email it to berwick.lodge.ps@education.vic.gov.au. You will also need to supply a copy of your concession card, again this can be uploaded via the portal or emailed to the school email address.

If you applied for the CSEF in 2022, you do not need to complete an application form in 2023 **unless there has been a change in your family circumstances.**

You only need to complete an application form if any of the following changes have occurred:

- ◇ **new student enrolments;** your child has started or changed schools in 2023 or you did not apply in 2022.
- ◇ **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2023.

If you are unsure if you need to complete a new form or have any other queries, please contact the school office.

SCHOOL COUNCIL ELECTIONS 2023

Our annual school council elections are now due, and the process must be completed by Friday 31st March. This year we have (30 parent representatives whose term of office ends **Emily Dittman, Karen Ingwersen** and **Sharron Pitchford**. We also have (2) staff representatives whose term of office concludes –

Sandra McCrum and **Robert Kelly**. Our PFA co-optee position on council is filled on an annual basis. All above retiring school councillors, other than those who no longer have children at our school, or who no longer work at the school are eligible to seek re-election in the forthcoming elections. All vacancies are for 2-year terms.

Members of school council who have one further year to serve of their current term are:

Parent representatives – Michelle Thompson, Mel Dobric, Brendan Pekjovic, Rajkeerat Sethi

DET representative: - Angela Maskery

I have included the details of eligibility requirements, the process and timeline for our elections and the obligations of school councillors and the vacancies below. All parents are most welcome to nominate for the parent category vacancies and staff are eligible to nominate for the DET representative category vacancy. Retiring members of school council can renominate for a further term of office provided they meet the eligibility criteria.

NB: The principal is always the Ex-Officio member of council.

As the Returning Officer for school council elections, I will be conducting the election process over the coming month.

Parent Representative Vacancies: Three (3) vacancies, each for a 2-year term

DET Representative Vacancies: Two (2) vacancies, each for a 2-year term.

PRINCIPAL'S REPORT

SCHOOL COUNCIL ELECTIONS PROCESS 2023

As the Returning Officer for School Council, I am now inviting nominations from parents for the **(3)** two-year vacancies we have for the Parent Category and from staff for the **(2)** two-year vacancies we have for the DET Category.

Council meets 8 times per year on Monday evenings, with meetings being conducted between 6.00pm and 7.30pm at the school. It is expected that school councillors will join one of our three subcommittees, which also meet 8 times per year at a time suitable to subcommittee members. Importantly, subcommittee membership is also open to parents and staff who are not on school council, so you can become involved with the work of school council via subcommittee membership if you do not have the time to commit to school council participation at the moment.

SCHOOL COUNCIL ELECTION TIMELINE 2023

Friday 24th February 2023 at 9.00am – Nominations Open

Friday 3rd March 2023 at 4.00pm – Nominations Close

Friday 17th March 2023 at 4.00pm – Ballot Closes (if required)

In the event that we do not receive sufficient nominations in both categories by the close of nominations on Friday 3rd March 2023 at 4.00pm, then I will extend the timeline for receiving further nominations by one week.

Should we receive more nominations than vacancies in either or both categories, then a formal election ballot will be conducted with all parents having the opportunity to vote for the Parent Category nominations and/or staff having the opportunity to vote for the Staff (DET) Category nominations.

In the event that I receive exactly the number of nominations in either or both categories, then I will declare those nominated persons duly elected on 3rd March 2023.

Please note that you can self-nominate or have other members of the category of which you are a member, nominate you. Nomination forms will be available on our parent portal on Sentral, under School Resources, from 9.00am tomorrow morning. Completed nomination forms should be emailed to the school email address: berwick.lodge.ps@education.vic.gov.au

Retiring parent members of school council are eligible to be re-elected provided they that still have a child in attendance at our school. Retiring staff (DET) members are eligible to be re-elected if they continue to work for a minimum of 8 hours per week for the Department of Education & Training (DET). I thank all school councillors for their contribution during their time on council. It is quite a sacrifice to give up so much of your valuable personal time on behalf of the students of Berwick Lodge. I also offer a special thanks to **Emily Dittman**, our retiring school council president – Emily participated in our 4-yearly school review process last year, a very time-consuming and complex process. Emily's contribution was invaluable.

NAPLAN TESTING FOR YEARS 3 AND 5

The National Assessment Program – Literacy and Numeracy tests for Years 3 and 5 students will be held between **Wednesday 15th March to the 24th of March**. All students are encouraged to participate in NAPLAN tests. Students with special needs may qualify for special provisions which reflect the support normally provided in the classroom. A formal exemption may be granted for a student who has a significant intellectual disability or who has recently arrived in Australia and is from a non-English speaking background. While participation by all students is expected, students may be withdrawn from the testing program by their parent/carer. This is a matter for consideration by individual parents/carers. Withdrawals are intended to address issues such as religious beliefs and philosophical objections to testing. A formal application for exemption must be received by the principal prior to the testing. Please have a discussion with your child's teacher if you have any questions about NAPLAN.

RESPECTFUL RELATIONSHIPS:

During our respectful relationship topics this term, across the school students will be developing their understanding of emotional literacy and personal strengths. Emotional literacy can be defined as the ability to understand ourselves and other people. It includes the ability to understand, express and manage our own emotions, build empathy, and to respond appropriately to the emotions of others. Building a large vocabulary for emotions helps to increase emotional literacy and build self-awareness and empathy for others.

Children and young people need a vocabulary to help them recognise and understand strengths and positive qualities in themselves and others. This topic provides learning activities to build this vocabulary and to use it when discussing personal, social, and ethical challenges. Research in the field of positive psychology emphasises the importance of identifying and using individual strengths. Social and emotional learning programs which use strength-based approaches promote student wellbeing, positive behaviour and academic achievement.

MOBILE PHONES – a reminder

In accordance with the Department's Mobile Phones Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Berwick Lodge Primary School during school hours, including lunchtime and recess, unless an exception has been granted. Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches."

NAPLAN

Information for parents and carers

2023

Why do students do NAPLAN?

NAPLAN is a national literacy and numeracy assessment that students in Years 3, 5, 7 and 9 sit each year. It is the only national assessment all Australian students have the opportunity to undertake.

As students progress through their school years, it's important to check how well they are learning the essential skills of reading, writing and numeracy.

NAPLAN assesses the literacy and numeracy skills that students are learning through the school curriculum and allows parents/carers to see how their child is progressing against national standards and over time.

NAPLAN is just one aspect of a school's assessment and reporting process. It doesn't replace ongoing assessments made by teachers about student performance, but it can provide teachers with additional information about students' educational progress.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are achieving important educational outcomes in literacy and numeracy.

Your child will do the NAPLAN tests online

Schools have transitioned from paper-based to computer-based assessments. All Year 3 students will continue to complete the writing assessment on paper.

Online NAPLAN tests provide more precise results and are more engaging for students. One of the main benefits is tailored (or adaptive) testing, where the test presents questions which may be more or less difficult depending on a student's responses.

Tailored testing allows a wider range of student abilities to be assessed and measures student achievement more precisely. A student's overall NAPLAN result is based on both the number and complexity of questions they answer correctly. Your child should not be concerned if they find questions challenging; they may be taking a more complex test pathway.

What does NAPLAN assess?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum.

Students sit assessments in writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy. The questions assess content linked to the Australian Curriculum: English and Mathematics.

All government and non-government education authorities contribute to the development of NAPLAN test materials.

To find out more about NAPLAN, visit nap.edu.au.

Participation in NAPLAN

NAPLAN is for everyone. ACARA supports inclusive testing so all students have the opportunity to participate in the national assessment program.

Adjustments are available for students with disability who have diverse functional abilities and needs.

Schools should work with parents/carers and students to identify, on a case-by-case basis, reasonable adjustments required for individual students with disability to access NAPLAN. Adjustments should reflect the support normally provided for classroom assessments.

To help inform these decisions, you may consult the [NAPLAN public demonstration site](#), the [Guide for schools to assist students with disability to access NAPLAN](#), or our [series of videos](#) where parents/carers, teachers and students share their experiences in using NAPLAN adjustments.

In exceptional circumstances, a student with a disability that severely limits their capacity to participate in the assessment, or a student who has recently arrived in Australia and has a non-English speaking background, may be granted a formal exemption.

Your school principal and your local test administration authority can give you more information on adjustments for students with disability or the process required to gain a formal exemption.

What if my child is absent from school on NAPLAN days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the school's test schedule.

What if my school is closed on NAPLAN days?

Schools with compelling reasons may be given permission to schedule tests after the 9-day test window.

What can I do to support my child?

Students are not expected to study for NAPLAN. You can support your child by reassuring them that NAPLAN is a part of their school program and reminding them to simply do their best. Some familiarisation and explanation of NAPLAN is useful to help students understand and be comfortable with the format of the tests. Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance.

ACARA does not recommend excessive preparation for NAPLAN or the use of services by coaching providers.

See the types of questions and tools available in the online NAPLAN assessments at nap.edu.au/online-assessment/public-demonstration-site.

NAPLAN timetable

The NAPLAN test window is 9 days. This is to accommodate schools that may have fewer devices.

The NAPLAN test window starts on Wednesday 15 March and finishes on Monday 27 March 2023. Schools are advised to schedule the tests as soon as possible within the testing window, prioritising the first week.

How is my child's performance reported?

Individual student performance is shown on a national achievement scale for each assessment. This scale indicates whether the student is meeting expectations for the literacy and numeracy skills needed to participate fully in that year level.

A NAPLAN individual student report will be provided by your child's school later in the year. If you do not receive a report, you should contact your child's school.

How are NAPLAN results used?

- Students and parents/carers may use individual results to discuss progress with teachers.
- Teachers use results to help identify students who need greater challenges or extra support.
- Schools use results to identify strengths and areas of need to improve teaching programs, and to set goals in literacy and numeracy.
- School systems use results to review the effectiveness of programs and support offered to schools.
- The community can see information about the performance of schools over time at myschool.edu.au.

Where can I get more information?

For more information about NAPLAN:

- contact your child's school
- contact your local test administration authority at nap.edu.au/TAA
- visit nap.edu.au

To learn how ACARA handles personal information for NAPLAN, visit nap.edu.au/naplan/privacy.
