PRINCIPAL'S REPORT

PARKING COMPLAINTS BY LOCAL RESIDENTS

Sadly, I have received complaints from local residents that parents of children at our school are parking across their driveways and consequently, blocking access to their homes when dropping off their children before school and/or when picking them up after school. I have apologised to them for this behaviour and have referred them to the City of Casey Bylaws Officers for further action. Please refrain from doing this in future.

HETTIE & HARRY'S FOREST ADVENTURE (AR) BOOKS

I am pleased to inform you that we have now received the books from our printer, and they will be distributed to all students (1 copy per child) tomorrow. We are very proud of this achievement by our school and hope you enjoy the books with your children.

PRINCIPAL'S REPORT

PFA AGM FRIDAY 24th MARCH AT 9.00AM – 9.30AM

This important meeting of our PFA will be held in our conference room – all welcome and refreshments will be provided.

FREQUENTLY ASKED QUESTIONS (FAQs)

Q. What does our PFA do?

A. They do an awful lot for our school ever since we opened in 1990. Fundraising is a big one – this has translated into a wide variety of resources for our school, such as playground equipment, computers, support for our annual graduation activities and class reading books – to mention a few. They also provide some workshops and seminars, from time to time, bringing in guest speakers on a range of practical parenting issues. Then there is the camaraderie and friendship that comes with working together in a common set of interests – in our case, support for our students.

HARMONY DAY

It was wonderful to see our BLPS students dress up and take part in activities in support of Harmony Day. A big thank you to all the families who helped to raise money for our sponsor child Amira in Indonesia.

SCHOOL ATTENDANCE

Going to school every day is the single most important part of your child's education. Students learn new things at school every day. Students who are regularly absent from school are at risk of missing fundamental aspects of their educational and social development. The Victorian Governments "Everyday Counts" initiative promotes the fact that regular school attendance enables students to maximise their full potential and to actively participate and engage in their learning. It is important that children develop habits of regular attendance at an early age. Children with attendance of 80 per cent or less (that is, 40 days or more absenteeism per year) may be significantly disadvantaged in their learning. If you are having attendance issues with your child, please let your child's teacher know so we can work together to get your child to school every day. Our Welfare Officer or school staff will contact you if there are any concerns about your child's attendance or punctuality. Remember **EVERYDAY COUNTS!**

LATE ARRIVALS

Student punctuality is equally important. At the beginning of the day students are informed of the day's program, events and important instructions are often given. Students arriving late to school (after 9.00 am) also disrupt the class they are in, as they get organised and settled for the day. Your co-operation on this matter would be greatly appreciated. 9.15am is the cut off time for late arrivals. After 9.15am students will be recorded as being late for school. A student arriving late to school must sign in at the office and their late arrival will be recorded on the daily attendance roll. Parents/Guardians must provide a reason for their child arriving late to school.

PLANNING WEEK

Planning week for our teachers will commence on Monday 27th March to the 5th April. The specialist teachers will be replacing grade teachers over this period. Each area of the school has a day with their team to plan for our term 2 teaching and learning activities.

GRADE 1/2 PARENT HELPERS

A reminder to our grade 1/2 parents who have completed their BLPS induction, if you would like to assist in the classroom, please record your name on the sign-up sheet outside each classroom. Thank you to those parents who are already assisting across the school.

ATHLETICS DAY

After a stormy morning, we were able to complete part of our athletics day for grade 3 to grade 6. There was lots of laughter, excitement, and robust competition and many of our students dressed in their house colours. Thank you to Mrs Muccignat and Miss McArthur for all their organisation and planning for the day. The remaining events that were cancelled this morning will be rescheduled for next Wednesday 29th March. Students are encouraged to dress up in house colours again.

Year 7 2024

Transition Information Evenings

Wednesday 29th March, Wednesday 26th April and Thursday 27th April

Time: 4:00pm-7:00pm

Location: Kambrya College's Theatre

Kambrya College would like to invite prospective parents and carers of 2024 Year 7 students to attend **one*** of our Transition Information Evenings.

The night will provide the chance for attendees to learn about the excellent education and opportunities the school provides to all our students. In addition, information will be provided on the exciting programs we have available for students in 2024.

Further information regarding the programs will be provided in Term 2 on our website:

www.kambryacollege.vic.edu.au/year7-transition/

To attend one of the Transition Information Evenings - Bookings are essential, each family member attending the session must have a ticket (up to 4 tickets per family)

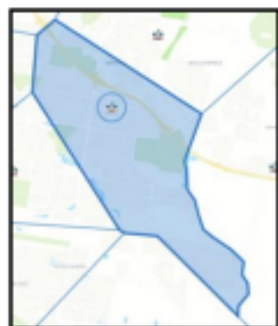

As spaces are limited, please carefully choose the date you wish to attend and only book 1 session.

Bookings can be made via our website and using this link: <http://bit.ly/3yiDmJN>

Session Timetable:

- | | |
|-------------|--|
| 4:00-4:40pm | School Tours |
| 5:00-6:00pm | Formal Presentation |
| 6:00-7:00pm | Program Presentations |
| | - Athlete Development Program (ADP) |
| | - Musician Development Program (MDP) |
| | - Select Entry Accelerated Learning Program (SEAL) |

2023 Kambrya School Zone (subject to change by DE at any time in Term 1 each year**):

Priority enrolments are provided to students within our current School Zone** as set out by the Department of Education. We foresee that students living within our school zone or with older siblings enrolled for 2024 will most likely bring the school to full capacity in Year 7 for 2024. Those living outside our school zone are still invited to attend the transition evening for more information, however due to restricted numbers enrolment applications from outside our zone are unlikely to be successful. **This applies to all students, including those wishing to apply for specific curriculum/sporting/other programs (SEAL, ADP, MDP).**

For additional information please refer to the following websites:

<https://www.kambryacollege.vic.edu.au/zone/>

<https://www.findmyschool.vic.gov.au>

Grade 6 only school tours in Terms 1 and 2: please note for those that have not previously attended a school tour, **bookings are essential and places limited**. Please refer to our website for details:

<https://www.kambryacollege.vic.edu.au/school-tours/> or use this link to book <http://bit.ly/3ym03N6>

* As each session is identical please note you will only need to attend one session to gain all the required information.

SCHOOL CROSSING

MANSFIELD STREET, BERWICK

Removal of Supervisors

The City of Casey regularly reviews its school crossing service to identify improvement opportunities to benefit Casey's growing community. While the crossings are operated by Council, the rules around how they operate are set by the *Road Safety Act (1986)* and apply to all crossings across the State.

Under the State Government's School Crossing Subsidy Program, and to meet the VicRoads standards for the management of a school crossing, more than 20 primary school children must use a crossing during both the morning and afternoon times for it to qualify as a designated crossing site.

Council assesses each crossing to track the average number of people that use it, identify those that are rarely used or where there are alternative road safety measures already in place, and consider areas where more resources need to be directed.

Consideration is given to the changing needs of the community and changed pedestrian patterns, traffic flow, speed limits and advancements in road and vehicle technology.

The following criteria must be met to qualify as a designated supervised school crossing site under the *Road Safety Act (1986)*:

- School crossings for primary school children – the number of children (minimum 20) multiplied by the number of vehicles in the hour (minimum 100) must exceed 5,000.
- School crossings for secondary school children – the number of children (minimum 20) multiplied by the number of vehicles in the hour (minimum 250) must exceed 25,000.
- Pedestrian operated signals (Including the pedestrian crossings at signalized intersections) – more than 20 primary school children per hour.
- Other crossings – where the Council determines a need for supervision on account of special needs or other factors affecting safety.

A review of the school crossing on Mansfield Street near Heard Close, Berwick, showed that it does not meet the VicRoads criteria to retain a supervisor at this location. Given the very low pedestrian numbers using this crossing, Council has made the decision to remove the crossing at this location, effective from the end of Term 1, 2023.

SAFE AROUND SCHOOLS

Getting children to school safely is everyone's job.

Tips for Walking to School

- ✔ Plan a safe route to school from your home.
- ✔ At every road crossing practice Stop, Look, Listen & Think before you cross the road.
- ✔ Discuss road rules in simple terms.
- ✔ Teach your children road safety and navigation skills by riding or walking around your neighbourhood.
- ✔ Find some walking buddies.
- ✔ Chat with other families about setting up buddy groups of younger and older children who can walk together.

Safely crossing the road

To help keep your children safe around roads, teach them how to follow STOP, LOOK, LISTEN and THINK:

- ✔ STOP one step back from the kerb.
- ✔ LOOK in all directions for approaching traffic.
- ✔ LISTEN for traffic approaching from in all directions.
- ✔ THINK about whether it is safe to cross the road – when the road is clear or all traffic has stopped. When crossing, walk straight across the road. Keep LOOKING and LISTENING for traffic while crossing. Walk bikes and scooters across the road.

When choosing the best place to cross a road, teach your children they should:

- ✔ Use a pedestrian or pram crossing if there is one nearby.
- ✔ Find a place where there is a clear view of traffic coming from all directions and where drivers can see you.
