

PURCHASE CARD POLICY

Basic Beliefs

Berwick Lodge Primary School Council has a responsibility to manage school funds and in doing so is authorised to approve the use of a School Purchase Card for the purchase of goods, services, equipment or materials.

Goals

- To streamline and enhance flexibility by introducing access to remote/external funds in situations where normal school purchasing procedures are not practicable.
- To comply with all DET Purchase Card guidelines and audit requirements.
- To maintain stringent internal controls over school Purchase Orders.

Guidelines

- School Council will approve all Purchase Cards prior to them being issued and be responsible for determining the number of cards issued and the monetary limits set on these cards.
- All Purchase Card holders will be listed in the Purchase Card Register, to be maintained by Administration.
- The Principal and School Council President will be designated the Authorising Officers, who with Council approval, can authorise the creation of a new Purchase Card, change transaction or monthly limits and cancel existing cards.
- The Business Manager will be designated 'Point of Contact' for the Purchase Cards with the CBA. A point of contact has no authority to issue cards or change cardholder limits, but is able to contact the bank and request information about the Purchase Card facility.
- Purchase Cards will only be issued after the user has completed and signed an 'Undertaking by the Cardholder' form which outlines their responsibilities as a cardholder.
- Purchase cards must not be used to obtain cash advances.
- All purchases made using the Purchase Cards must be supported by the appropriate receipts and tax invoices.

- Goods and services purchased with the card must follow the guidelines set out in the Berwick Lodge Primary School Purchasing Policy.
- Each monthly Purchase Card statement must be signed by the card holder and submitted to the Authorising Officer for approval. A Purchase Card held by the Principal is to be approved by the School Council President.
- The monthly Purchase Cards statements are to be attached to the relevant reports (CASES21F) and tabled at School Council through the Resources Sub-Committee.

Responsibility for Implementation

In consultation with the Principal and Business Manager, the Management Sub-Committee will monitor and make recommendations
