ACTING PRINCIPAL'S REPORT

NAPLAN RESULTS

Today our grade 3 and grade 5 students will receive their Naplan test results. Naplan is a valuable tool that can give useful insights into a student's performance, but individual reports should be interpreted with care as they reflect the student's performance on the day of testing. Well done to all grade 3 and grade 5 students who sat the tests. An information pamphlet is included which explains the changed testing and new proficiency standards which were introduced this year.

PLANET ARK NATIONAL TREE DAY

Monday 31st July was National Schools Tree Day at Berwick Lodge. Toyota kindly donated 100 native plants to our school which were planted by some students within the Sensory Garden and the Outdoor Common Room Garden near the grade 5/6 building. Students also had the opportunity throughout the day with their teachers, to plant a seed to take home and start a garden and/or plant some vegetable seedlings in the Community Garden. Thank you to the parents and volunteers who assisted on the day.

ACTING PRINCIPAL'S REPORT

JUNIOR SCHOOL COUNCIL

Congratulations to our Junior School Council who held a dress up in green or earth colours and focused on 'Nude' food for our Planet Ark National Tree Day. Students were encouraged to bring 'Nude' food, which is food without packaging, utilising containers which can be reused. It was wonderful to see so many children participating in our Nude food day, and the best part was the reduced rubbish within our classrooms and playgrounds. Well done to Ms. Giacotto, Mrs Stevens and the JSC for promoting this successful day. We encourage all families to consider having 'Nude' food as much as possible to help reduce waste which goes into land fill.

Year 7 SECONDARY PLACEMENT ACCEPTANCE

All grade 6 families are reminded to return their Year 7 Secondary Placement acceptance slips, even if you are appealing. The slips need to be returned by next Wednesday 9th August 2023 to the office.

PROFESSIONAL DEVELOPMENT DAY REPORT

Last Friday, our whole staff participated in a very informative professional development day focusing on wellbeing. Maria Ruberto, a highly successful psychologist with 30 years of experience presented for the day. The day covered the functions and parts of the brain, and how our brain can affect our reactions and moods such as fight or flight mode, managing anxiety and stress, and the impact of depression. The day provided many valuable evidence-based recommendations on how we can assist ourselves but also, the students who we interact with and teach every day.

WANTED – SMALL WOODEN LOGS

Do you own or know of anyone who has a tree lopping business or have access to tree logs? We are looking for a donation of some small logs to use as seats for our students within the Sensory and Community Garden. If you can assist, please contact the office.

FREQUENTLY ASKED QUESTIONS (FAQ):

Q. How do I access school information on Compass?

A. All families received an email explaining how to log onto Compass, our new parent information portal. Families need to access the portal to give permissions for excursions/incursions/camps, respond to teacher emails, receive sick bay notifications and other important information. If you are having difficulties accessing Compass, please contact the office and one of our lovely office staff will be able to assist you with the process. Families are encouraged to regularly check Compass for updates and information relating to their child.

eSafety

Currently, online safety for students is addressed at many levels through the Australian Curriculum. Technology has been critical in allowing our children to be educated, entertained, and connected with their school friends, but it also comes with some serious risks. Students are explicitly taught about online safety, and we encourage a positive school climate and a culture of help-seeking that supports students to feel safe and comfortable to report online incidents.

Follow the links below to explore the huge range of advice and resources at our national online safety hub,

· [eSafety Parents](#) : Advice for parents and carers to help children have safe experiences online.

· [eSafety Early Years](#): Practical advice to tackle the key online safety issues for children from birth to 5 years old.

· [eSafety Kids](#): A platform for kids to learn about online safety in a way they can relate to.

· [eSafety Young People](#): A platform for older children to learn about online safety in an environment that appeals to them.

SCHOOL COUNSELLOR

Jennifer Cidoni is a social worker/counsellor. Jennifer has worked at Berwick Lodge previously (pre-COVID).

Jennifer will commence providing counselling sessions with students who can provide a Mental Health Care Plan. If you would like more information, please discuss this with the classroom teacher or contact the office to speak with Angela Maskery.

EVERY DAY COUNTS

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school. For some children missing school is more common and if a child misses a lot of school, it can be hard to keep up with schoolwork and friendships. If you're having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

EVERY
DAY
COUNTS

ARRIVING TO SCHOOL ON TIME

We understand that sometimes situations beyond our control result in us being late. Arriving to school on time is important for several reasons. When students arrive on time to school, they are relaxed and ready to learn. When students arrive late to school, they are rushed and often stressed, which can cause anxiety. Repeatedly arriving to class late means they may miss out on valuable learning.

Punctuality tips:

1. Schoolbag ready

To avoid forgetfulness and delays, pack the schoolbag the night before. This instils the habit of planning.

2. Clothes laid out ahead of time. To prevent this from making your child late for school, get them into the habit of preparing their clothes the night before. That way, they won't have to think, and they'll gain valuable minutes that can make all the difference.

3. Sufficient rest

Prepare your child for a good night sleep and avoid having electronic devices in their bedroom at night to avoid insomnia and possible distractions.

4. Habit and routine to make behaviours automatic, it's important to establish a routine that's repeated every morning; for example: Get up, eat breakfast, get cleaned up, get dressed, grab the schoolbag, and go outside.

5. Scheduled times A good way to achieve this is to establish a scheduled time for each task; for example, dedicate twenty minutes to breakfast and move on to the next step even if it's not finished.

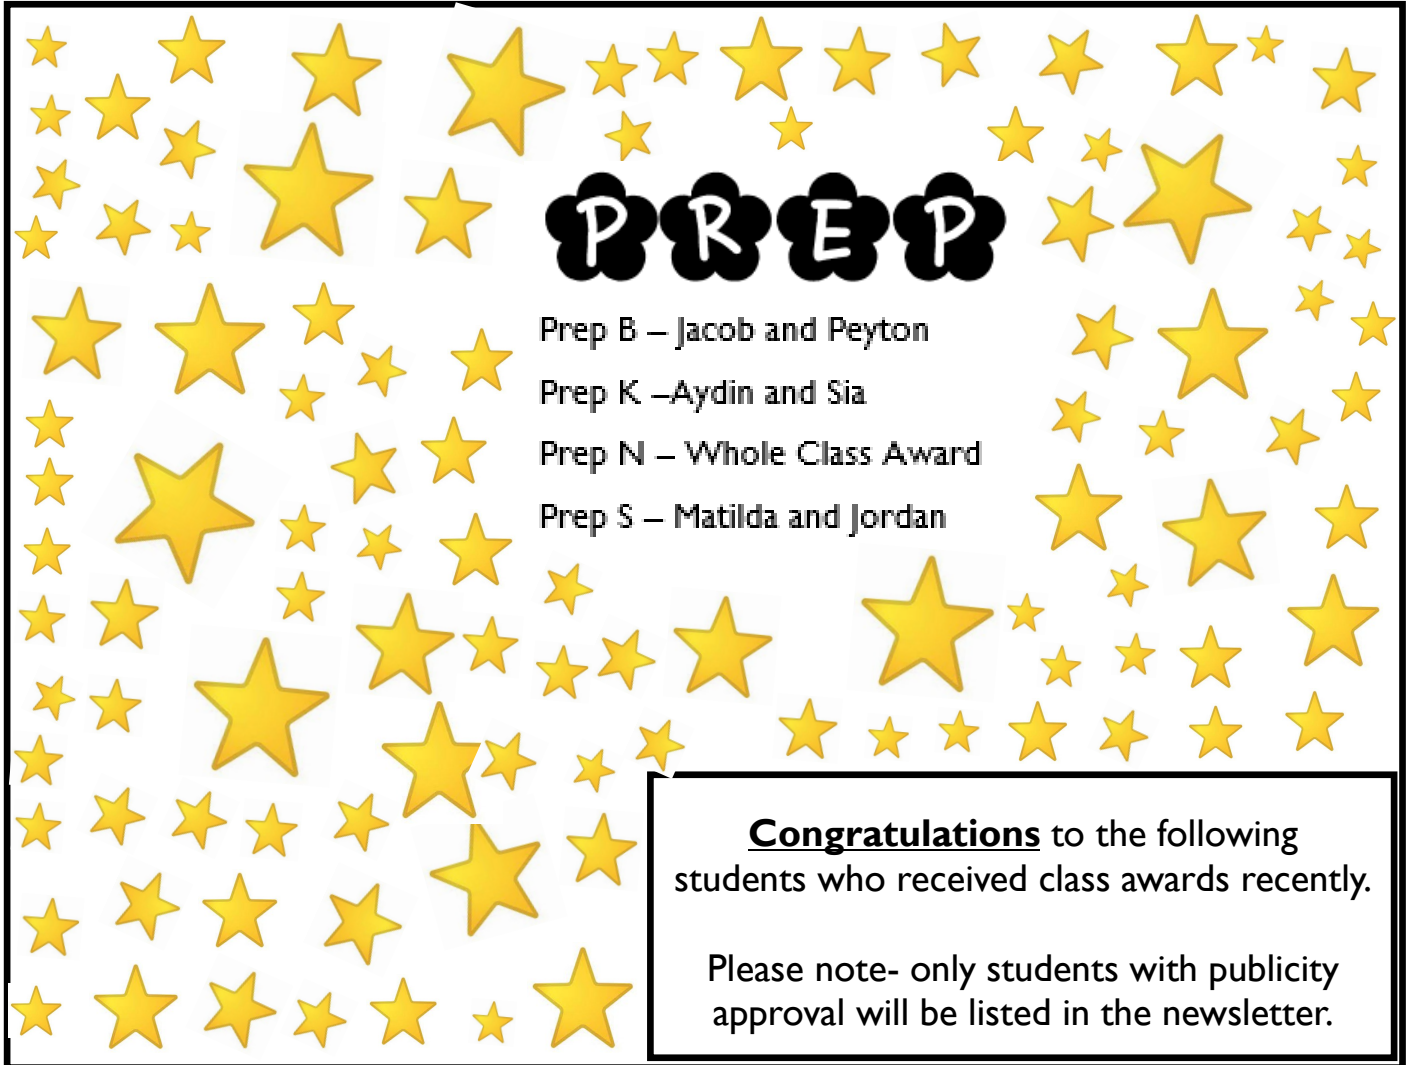

6. A reasonable margin No matter how good your planning is, unforeseen events can always arise. Allow an extra 15 minutes.

7. Motivate your children to avoid being late for school. As an example, you can tell your child that if he/she is ready on time, he/she will be able to watch cartoons a while before leaving, or have extra time on the playground before going to class.

Performing Arts News

On Monday 31st July, the State School Spectacular dancers travelled to Officer Secondary College to participate in their final regional hub rehearsal. All the choreography has now been taught and our students began to block the stage entrances/exits and learn more about the full running order of the show.

Next month will see the students perform in the John Cain Arena and I cannot wait to see them shine on the big stage!

Over the next few weeks, the students will perform some dances at the Monday morning assemblies, so hopefully you can get the chance to see them in action!

BOOK WEEK

Book week runs from the 19th – 26th August 2023. Leading up to this week, teachers will be reading some of the CHILDREN'S BOOK COUNCIL AWARDS nominated, picture story books.

These books are currently on display in the Library and will be available to borrow in Term 4. Students will have the chance to vote on their favourite book during Book Week and the winner will be announced the following week.

Students across all year levels love reading these new books and great discussions are had when deciding on favourites.

BOOK CLUB ORDERS

Thank you to everyone who has ordered new books from Book Club. We sold \$1038 of books which has earned BLPS \$155 in new resources for the Library. Orders will be delivered to students once they arrive.

Keep your eyes open for some exciting new books in the coming weeks.

HAPPY READING EVERYONE.

Mrs Tsekouras and Ms Taylor.

LIBRARY NEWS

Welcome back to Term 3 in the Library.

The Library will be open at lunchtime, on Tuesdays, again this term. Please pop in for some colouring, reading, fun games or just some quiet time.

Please remember to return any overdue books and bring your library bag to each session.

P.E. NEWS

Congratulations to Trey from 5K who was successful in passing a Judo practical and knowledge test called a grading at the Endeavour Hills Judo Club.

Each grade is awarded by the presentation of a coloured Judo belt, varying in colour depending on the child's age and expertise. Trey was successful in being awarded a Yellow-Orange-Black belt.

This is no easy task and requires a great deal of practice. Well done Trey on such an amazing achievement!

CANTEEN NEWS

If your child forgets their lunch, and a sandwich is provided by the canteen, please note that this will incur a charge of \$2.

The money needs to be handed to the office as soon as possible.

Parents may bring in food treats to celebrate their child's birthday.

However, this treat **must be** individually commercially packaged with ingredients listed (ie: fun-size chocolate) and distributed to students at the end of the school day.

About Us

State Schools' Relief is unique. No other Australian state or territory has a similar organisation.

Since 1930, State Schools' Relief has been providing anonymous support so that students receiving our assistance can do so with dignity. It's our belief that every student deserves the opportunity to participate in their education without barriers.

Who are we?

State Schools' Relief is a Victorian not-for-profit organisation that supports the needs of disadvantaged government school students by providing new school uniforms, school shoes and a host of other essential educational resources, including learning devices.

Our simple and practical service ensures that all students can attend school in warmth and comfort with a greater sense of belonging and improved self-esteem, which in turn assists students to engage in their learning and strengthen their educational outcomes.

How we help

Issues such as poverty, neglect, unemployment, health issues/ illness, financial hardship, bereavement, domestic violence, homelessness, and natural disasters continue to affect many Victorian families. We work side by side with all Victorian primary, secondary, specialist and language schools to ensure that any students facing hardship have the necessary items they require for school.

Do you need assistance?

State Schools' Relief provides support to any Victorian student attending a government school, on the advice of the school.

If you are a parent or carer and you need financial assistance with your child's government education, please make an appointment with the school principal, assistant principal, or welfare/wellbeing coordinator to discuss your situation.

Schools Issuing Guidelines

Travel Passes for students in crisis

Purpose

This document should be used by schools in determining student eligibility for a pre-paid Travel Pass.

Travel Pass

Pre-paid Travel Passes make it possible for disadvantaged Victorians to use public transport to access vital services and to actively engage with the community.

Travel Passes are a paper 30-day pass available for both primary and secondary school students experiencing crisis who are at risk of disengaging from education.

This ensures they can continue to attend school, receive an education and participate in school activities, and access support services.

Schools can issue a Travel Pass for free to students in crisis primarily to travel to school, but also for other reasons, such as travelling to:

- a medical or rehabilitation appointment;
- a counselling session; or
- temporary or crisis accommodation.

Eligibility

Students are eligible for the program if they are experiencing:

- sudden financial hardship;
- family violence;
- substance abuse;
- family/relationship breakdowns; or
- homelessness; and
- are at risk of disengaging from education due to difficulty in accessing funds to use public transport to get to school.

Obtaining and Issuing a Travel Pass

Government schools can apply for Travel Passes through the State Schools' Relief online portal.

Upon receipt of the Travel Pass the school must hole punch the Travel Pass with the issuing date, month and year.

The Travel Pass:

- Is valid for 30 days commencing on the day of the month and year that has been hole punched.
- Is not valid for travel if more than one date, or if the day, month or year has not been hole punched.
- Can be validated for a future date.
- Cannot be reissued or exchanged.

Failure to correctly validate the Travel Pass could result in an infringement notice issued to the ticket holder.

Travelling with a Travel Pass

A Travel Pass can be used on:

- bus, train and tram trips in metropolitan Melbourne (Zone 1 and 2);
- all regional town buses;
- PTV inter-town buses;
- V/Line coaches; and
- V/Line trains.

When passing through a staffed ticket barrier, students will need to show their Travel Pass to the barrier attendant. When travelling on a bus, students may need to show their Travel Pass to the driver.

Students need to carry their Travel Pass for the entire journey.

A Travel Pass should be treated like money - a lost or stolen Travel Pass cannot be replaced.

School's Responsibilities

The school must ensure:

- The school as a Travel Pass Issuer has procedures to satisfactorily document that a Travel Pass has been issued to an eligible student.
- All staff who issue a Travel Pass are aware of and follow the correct procedures for issuing Travel Passes, including the criteria for deeming who is eligible to receive a Travel Pass.
- All staff who issue a Travel Pass are responsible for assisting the school to facilitate an effective review of the issue and use of Travel Passes if required.
- All non-issued Travel Passes are kept in a secure location when not in use.
- Travel Passes are correctly validated by hole punching the Travel Pass with the issuing date, month and year.

SAFE AROUND SCHOOLS

Being a Safe Driver at School Crossings

- Drivers must not overtake a vehicle stopping/stopped at the School Crossing.
- Keep the School Crossing Clear. Do not stop your car on the crossing. Blocking the crossing is not only against the law, but also dangerous for everyone.
- Drivers must stop if a child or adult is about to cross or is crossing while flags are displayed, even if there is no Crossing Supervisor.
- Drivers must stop if a handheld "Stop" sign is being displayed.
- Drivers must proceed only when all children and adults, including the School Crossing Supervisor are clear of the crossing.
- Drivers must approach at a speed slow enough to stop safely, if necessary.
- Drivers should always watch out for children near schools.

SAFE AROUND SCHOOLS

Getting children to school safely is everyone's job.

Too many cars around schools at drop-off & pick-up times can make it more dangerous for children and hard to find a parking spot.

We can all work together to get everyone to school safely and on time.

Reduce car trips – one of these options may work for you

- ✓ **Walk or ride to school.**
- ✓ If your school has a **Walk to School map**, get a copy from the office.
- ✓ **Park and walk.** Park a little further away from school and enjoy a short walk - avoiding traffic and parking pressure.
- ✓ **Carpool with a friend.** You can share the pick-up and drop-off with another parent.

Keep the Drop off Pick up Zone moving

- ✓ A **Drop off Pick up Zone** is a special place to quickly drop-off or pick-up your child when you use your car. You can only stay in the zone for **2 minutes** each time and you **must** stay with your car.
- ✓ **Move as far down the Drop off Pick up Zone as possible**, don't stop at the start, this blocks the traffic behind you.
- ✓ **Arrive at least three minutes after the school bell.** No children are ready before this time. Don't arrive early and park in the Pick up Zone – remember, you can only stop here for 2 minutes.
- ✓ **Change your pick-up or drop-off times to avoid the busiest peak times.** For example: in the afternoon, arrive 5 minutes after the bell to pick-up your child and avoid the busy time.
- ✓ **Child not there? Keep moving!** Drive out of the zone and come back, don't park and wait for them.

No Parking

This no parking sign means that the area is a Drop off Pick up Zone. You cannot leave your vehicle unattended and you cannot stop for more than two minutes. The times may be a little different at your school, but the rules are the same. Fines can apply if the signs are not followed.

COMMUNITY NEWS

Be courteous and aware

- ✓ **Follow signs, road rules and parking signs.**
They are there to keep our children safe.
- ✓ **No stopping signs mean "Do not stop your vehicle for any reason".** These areas must be kept clear for pedestrians and motorists.
- ✓ **Do not park on nature strips or in front of driveways.**
This is very dangerous for children and other road users.
- ✓ **Do not drop your children on the other side of the road and tell them to run across.** Use a Drop off Pick up Zone or the safest crossing point, like a School Crossing or Pedestrian Crossing.
- ✓ **Be extra careful and patient around schools.**
- ✓ **Slow down and be alert!** Children can be unpredictable. Remain careful, especially at the busy morning and afternoon school times.

Use school crossings

- ✓ **Casey's School Crossing Supervisors** are trained to help children to cross the road safely.
- ✓ **Use the school crossing.** It is the safest place for children to cross the road.
- ✓ **Keep the school crossing clear.** Do not stop your car on the crossing. It is dangerous and illegal to block the crossing.

GETTING CHILDREN TO SCHOOL SAFELY IS EVERYONE'S JOB. Think before you park, drive, drop off and pick up. All children deserve to get to school safely.

For more information about safety around schools visit www.casey.vic.gov.au/safe-around-schools

Follow the signs And keep children safe

School Zone

The speed limit around schools is 40km on school days between 8.00am and 9.30am and 2.30pm and 4.00pm.

Slow down and keep children safe.

No Stopping

The no stopping sign means you cannot stop your vehicle for any purpose, no matter how short the time.

Bus Zone

A bus zone is an area only for buses. You cannot stop there at all.

Never double park, it is illegal and dangerous

Double parking is stopping next to parked cars to pick up or let out children.
