PRINCIPAL'S REPORT

COMPASS - PERMISSION/PAYMENTS

Please note that in future we will not be accepting late permission and/or payment notifications for children to attend activities, such as swimming, etc. The situation has got out of hand recently, despite our office staff sending repeat reminders to all parents for such activities. I do understand the disappointment that children experience in such situations through no fault of their own. Nonetheless, we cannot be setting deadline dates, then basically having no deadline date by accepting all late payments and/or permission notices. Reminders will still be sent to all parents in the lead up to deadline dates, but not beyond those dates.

COMPASS - LATE ARRIVAL/EARLY LEAVER

If your child is arriving late or leaving early, providing a reason to our office staff is important as it impacts on their "unexplained attendance" record if we do not receive one from you. Please also be aware that if your child is late to school, they must walk to their class on their own via the main building after checking in at the office.

EMERGENCY EVACUATION DRILL

It is that time again – we will be conducting an emergency evacuation drill next week. We will, as always alert the children to this to minimise the possibility of some children becoming distressed. Your support in assuring your child/ren in this regard will be very helpful.

FREQUENTLY ASKED QUESTIONS

Q. Does attending Berwick Lodge P.S. have any bearing on to which secondary school graduate children can attend?

A. NO. It is the residence at which the children live that most influences which public secondary school our graduate students can attend.

BOOK WEEK

Each year since 1945 the CBCA has brought children and books together across Australia through CBCA Book Week. During this time schools spend one glorious week celebrating books and Australian children's authors and illustrators. We are lucky to have Gregg Dreisse visit our students tomorrow to talk about his indigenous stories and share his books with our students. Gregg is a talented author, musician and presenter who has won multiple literature awards. Gregg is the author and illustrator of *Cunning Crow*; *Silly Birds*; *Kookoo Kookaburra*; *Mad Magpie* and *My Culture and Me*. All these stories are about teaching morals. They address self-image, friendship, kindness, bullying and Indigenous culture. We look forward to enjoying Gregg's book week activities tomorrow as he works with our students from Prep to grade 6.

BOOK WEEK DRESS UP DAY

Monday 28th August is Book Week Character Dress Up Day and we encourage all students to dress up as their favourite story or character on this day. We look forward to seeing all of the amazing characters at our whole school assembly on Monday.

SWIMMING PROGRAM

Our swimming program concludes tomorrow for our grade 2, 4 and 6 students. Well done to all the students and teachers involved. It was fantastic to hear about our students enjoying learning about water safety and improving their swimming skills. The Casey ARC pool staff have spoken to our staff and have complemented our students on their excellent behaviour whilst on the excursion.

Book week is well under way with some fantastic activities happening across all grades. About Us

State Schools' Relief is unique. No other Australian state or territory has a similar organisation.

Since 1930, State Schools' Relief has been providing anonymous support so that students receiving our assistance can do so with dignity. It's our belief that every student deserves the opportunity to participate in their education without barriers.

Who are we?

State Schools' Relief is a Victorian not-for-profit organisation that supports the needs of disadvantaged government school students by providing new school uniforms, school shoes and a host of other essential educational resources, including learning devices.

Our simple and practical service ensures that all students can attend school in warmth and comfort with a greater sense of belonging and improved self-esteem, which in turn assists students to engage in their learning and strengthen their educational outcomes.

How we help

Issues such as poverty, neglect, unemployment, health issues/ illness, financial hardship, bereavement, domestic violence, homelessness, and natural disasters continue to affect many Victorian families. We work side by side with all Victorian primary, secondary, specialist and language schools to ensure that any students facing hardship have the necessary items they require for school.

Do you need assistance?

State Schools' Relief provides support to any Victorian student attending a government school, on the advice of the school.

If you are a parent or carer and you need financial assistance with your child's government education, please make an appointment with the school principal, assistant principal, or welfare/wellbeing coordinator to discuss your situation.

Schools Issuing Guidelines

Travel Passes for students in crisis

Purpose

This document should be used by schools in determining student eligibility for a pre-paid Travel Pass.

Travel Pass

Pre-paid Travel Passes make it possible for disadvantaged Victorians to use public transport to access vital services and to actively engage with the community.

Travel Passes are a paper 30-day pass available for both primary and secondary school students experiencing crisis who are at risk of disengaging from education.

This ensures they can continue to attend school, receive an education and participate in school activities, and access support services.

Schools can issue a Travel Pass for free to students in crisis primarily to travel to school, but also for other reasons, such as travelling to:

- a medical or rehabilitation appointment;
- a counselling session; or
- temporary or crisis accommodation.

Eligibility

Students are eligible for the program if they are experiencing:

- sudden financial hardship;
- family violence;
- substance abuse;
- family/relationship breakdowns; or
- homelessness; and
- are at risk of disengaging from education due to difficulty in accessing funds to use public transport to get to school.

Obtaining and Issuing a Travel Pass

Government schools can apply for Travel Passes through the State Schools' Relief online portal.

Upon receipt of the Travel Pass the school must hole punch the Travel Pass with the issuing date, month and year.

The Travel Pass:

- Is valid for 30 days commencing on the day of the month and year that has been hole punched.
- Is not valid for travel if more than one date, or if the day, month or year has not been hole punched.
- Can be validated for a future date.
- Cannot be reissued or exchanged.

Failure to correctly validate the Travel Pass could result in an infringement notice issued to the ticket holder.

Travelling with a Travel Pass

A Travel Pass can be used on:

- bus, train and tram trips in metropolitan Melbourne (Zone 1 and 2);
- all regional town buses;
- PTV inter-town buses;
- V/Line coaches; and
- V/Line trains.

When passing through a staffed ticket barrier, students will need to show their Travel Pass to the barrier attendant. When travelling on a bus, students may need to show their Travel Pass to the driver.

Students need to carry their Travel Pass for the entire journey.

A Travel Pass should be treated like money - a lost or stolen Travel Pass cannot be replaced.

School's Responsibilities

The school must ensure:

- The school as a Travel Pass Issuer has procedures to satisfactorily document that a Travel Pass has been issued to an eligible student.
- All staff who issue a Travel Pass are aware of and follow the correct procedures for issuing Travel Passes, including the criteria for deeming who is eligible to receive a Travel Pass.
- All staff who issue a Travel Pass are responsible for assisting the school to facilitate an effective review of the issue and use of Travel Passes if required.
- All non-issued Travel Passes are kept in a secure location when not in use.
- Travel Passes are correctly validated by hole punching the Travel Pass with the issuing date, month and year.
