NEWSLETTER NO 27

31ST AUGUST 2023

**LAST DAY OF CANTEEN FOR TERM 3 - FRIDAY 15TH SEPTEMBER**

**CANTEEN WILL REOPEN TERM 3 - MONDAY 2ND OCTOBER**

## PRINCIPAL'S REPORT

### SCHOOL ASSEMBLY

We celebrated Book week at Monday's school assembly. My contribution to the celebration was to make a guest appearance, in costume, as **'Professor T. Twister'** – author of tongue twister children's books. Photos are attached to this newsletter! In recent weeks (as Mr Grossek) I have been visiting classrooms across our school and during these 45-minute sessions, some time has been spent on reciting tongue twisters with the children. Whilst there is a huge element of fun associated with repeating tongue twisters at speed, there are, as research demonstrates also valuable speech skills being developed. We had a lot of fun at our assembly and most children are thoroughly convinced that Professor T. Twister is in fact Mr Grossek!

### VOLUNTARY CONTRIBUTIONS

Many thanks to everyone who has been able to make a voluntary contribution to our school to date this year. We most sincerely appreciate this. In saying this, we remain hopeful of receiving more voluntary contributions between now and the end of the year. As you would be aware, the DET have directed schools to ensure that parents know that all payments are strictly voluntary from this year on. We have certainly honoured this directive and respect parents' rights to not pay any voluntary contribution if they so choose. Nonetheless, the new policy direction has to date had quite a substantial impact on the level of local funds we have received, and it would be wrong of me to say that this does not have a negative impact on what we can provide in the way of resources for all children.

## FATHER'S DAY STALL

Our Father's Day stall ran very smoothly, with all children collecting their Father's Day gifts in their personalised paper carry bags. Many thanks to our hardworking PFA parents who, with the assistance of our administration staff made the day run as well as it did.

## GUIDELINES FOR COVID SYMPTOMS

The DET Guidelines for managing situations in which children and/or staff present with Covid-like symptoms remain unchanged. Consequently, when children present with such symptoms, our admin staff will contact parents to collect their child and to remain home until they have no symptoms, unless a doctor's medical clearance is provided.

## EVACUATION FIRE DRILL

Today's evacuation fire drill ran very smoothly with all the children appearing to take the exercise in their stride. Thank you for your support in reassuring your child (where this was necessary) that the drill was a practice and there was nothing to worry about.

## FREQUENTLY ASKED QUESTIONS

### Q. What can we do to support our children in safe and appropriate use of social media platforms?

A. It is good question and one for which solutions require a great deal of patience and vigilance. Obviously, the starting point is discussion with your children. Having clear rules and guidelines in place, preferably with some input from your child however you approach that. Regular monitoring of your children's use of social media is also most important. At best, not allowing your children to have access to sites not recommended for their age group. I acknowledge the challenge it is to ensure that all children are being adequately supervised and using social media platforms in accord with guidelines. In some ways, "the horse has bolted" in the use of social media by children and this is also very frustrating for us at school, because following up on out-of-school social media (mis) behaviour by students, some of whom no longer attend any school, is very time-consuming and can be stressful for all involved. Nonetheless, it is what we all do in the best interests of the children.

## ★ Planning Week

★ Our planning weeks start next Thursday 7<sup>th</sup> September for our teachers to work with their team reviewing the curriculum and forward planning the teaching and learning program for term 4. Whilst the grade teachers are working together for the day, our specialist teachers and some replacement teachers will be taking grades. We look forward to the exciting programs our teachers will be planning for our students in term 4.

## ★ DISABLED PARKING

★ A reminder to not illegally park in the disabled parking zone. We have received complaints from families with genuine cases who rely on the disabled parking at school. This creates stress and inconvenience to those families.

## ★ SAFE AROUND SCHOOLS

★ The City of Casey will be active around our school again over the next few weeks. Please don't park in the staff carpark as this is only for staff. Please consider parking further away and walking the short distance to school, especially as the weather is beginning to improve.

## ★ Father's Day Stall

★ Wishing all the dad's a Happy Father's Day. There might be a little surprise waiting for you on Sunday. Thank you to the fabulous PFA for volunteering your time and arranging a wonderful selection of gifts!

## ★ HELMETED HONEYEATER AMBASSADORS

★ On Tuesday 29<sup>th</sup> August our four Helmeted Honeyeater ambassadors went to Parliament House, to assist with planting some seedlings and sharing their knowledge with parliamentarians and other guests as a part of the focus on the horticultural industry in Victoria. This was the first time we had been invited to this event by the Victorian Schools Garden Program. The ambassadors were outstanding in representing our school and many people commented about the knowledge and enthusiasm they had for the environment. The ambassadors had the opportunity to speak with many politicians, ministers and horticultural industry representatives including the Minister for Agriculture – Gayle Tierney, Minister for Climate Action – Lily D'Ambrosio, our local Member of Parliament – Brad Battin and a very well know Australian horticulturist, author, television, and radio presenter– Jane Edmanson OAM who is best known for her involvement with Gardening Australia since its beginning in 1990. Congratulations to Sienna H, Jackson B, Hudson A and Jasmine C for their exceptional behaviour, passion for the environment and confidence when speaking to many people. A big thank you to Francine H for accompanying Mrs. McCrum and the students on the day.

## BOOK WEEK

What a wonderful way to start our week with so many students and teachers dressing up on Monday for our Book Week celebrations! There were many different characters including Thing 1 and Thing 2, Sesame Street, Buzz Light Year, Woody, Mr. Bump, Robots, Fairies and students from Hogwarts. A surprise guest at the assembly was Professor T Tounge Twister who visited our school to share his special book of Tounge Twisters with our students. He wore a very bright yellow suit and thoroughly enjoyed entertaining the students. It was wonderful to see so many parents enjoying the morning assembly.

Can you guess who Professor T Tounge Twister really is?

## SAFE AROUND SCHOOLS

Dear Berwick Lodge Parents & Carers,  
To keep all students & pedestrians safe, please follow these rules around your school precinct.

- The **staff carpark** is for **staff only**. Do not park or drop off children in this area. It is out-of-bounds for students & families.
- The Reserve next to the school provides over **80** car spaces for families to use, including disability parks. As a driver, always **look for pedestrians** when entering and exiting this Reserve and keep to the speed limit.
- **Always** use the school crossing. Your School Crossing supervisors Darryl and Lisa are there to keep all pedestrians safe.
- When using the **Drop off Pick up Zone**, please ensure children enter and exit from the safety door (footpath side) and that you only stay in the Zone for **2 minutes** during the specified time. Move to the front of the zone at all times to allow traffic to flow.
- On Collins Ave, please do not double park if the Drop off Pick up Zone is full – this is dangerous for all children. Keep driving and come back when Zone is empty.
- Please follow all signs and keep to 40km around the school precinct.

Getting children to school safely is everyone's job!
