PRINCIPAL'S REPORT

REMINDER: 2.30PM DISMISSAL TOMORROW

People may ask why this reminder from me when the early end of term dismissal time has existed for many years now and we publicise this every term. The short answer is – there are always some children who are not collected by their parents or guardians until as late as 4.00pm on the last day of each term. Please collect your children on time tomorrow and if you are unable to do so, please have them enrolled in our OHSC program which is provided for that very purpose.

GYM REPAIRS

I am pleased to report that the repairs to our gymnasium have now been completed and it is no longer a restricted work site. The repairs to the roof area were quite extensive – with a total cost being over \$80,000

COMPASS ATTENDANCES REMINDER

A friendly reminder to parents – it is most important that you enter your child's absence from school (and potential duration) via Compass promptly.

PRINCIPAL'S REPORT

CONGRATULATIONS TO OUR STATE SCHOOL SPECTACULAR STUDENTS

Wow! What an outstanding event the State Schools Spectacular proved to be according to all reports. Our children had an absolute ball and great credit to them for the outstanding performance they provided on the big stage. It is events such as this which bring children together from so many different locations and schools that lift us all. Thank you to Lorraine Montgomery and her dedicated support team for the work they did to enable our students to both participate in the gala event and to perform to such a high standard. Take a bow everyone.

FREQUENTLY ASKED QUESTIONS

Q. On what is parent voluntary contributions spent?

A. A whole range of additional resources – all directly of benefit to the children's learning. The list includes additional library books, classroom sets of readers, technology resources including computers and educational software, musical instruments, sporting equipment, etc. Put simply, the more that parents are able to provide the school in the way of voluntary contributions, the more educational resources that we can purchase. Currently, this year we are running at less than 50% payment of our suggested voluntary contribution per child. In previous years we have received upwards of 80%. This drop does impact on the range of additional educational resources we can provide for our students. If you can pay the suggested total (or any part thereof) and have not yet done so, it will be most gratefully received.

END OF TERM

The end of term has arrived upon us incredibly quickly, and we would like to thank all our families for the commitment and hard work in supporting your children to be ready for learning every day. It has been wonderful to end the term with a bit of sunshine! We hope you enjoy a safe and happy break.

GRADE 6 SHOWBAG

Today our grade 6 students proudly displayed their book showbags project. Well done on a fabulous effort. The quality and variety of the work on display was outstanding.

STATE SCHOOL SPECTACULAR

Congratulations to our students who participated in the State School Spectacular last weekend. It was a fabulous performance, and our students were enthusiastic and vibrant in their mass dance parts. Well done to Mrs Montgomery our Performing Arts teacher for another outstanding show case of talented students from Berwick Lodge. Thank you to Miss Reardon and Miss Mao for assisting with the production. We look forward to seeing the show later in the year on channel 7.

HEAD LICE CHECKS

During the two-week holiday break, we would appreciate the support of every family in the school in the detection and **total eradication** of any live lice and/or eggs that are found in children's hair. While we realize that families are busy, we feel that it would be a most worthwhile exercise in eradicating lice from the school. To be successful, **every family** should commit some time to: Checking their children's hair at least twice over the holidays. (E.g. Week 1 and Week 2) Treating immediately any live lice found. (Complete follow-up checks and treatment.) Applying lots of conditioner, and patiently remove all eggs found. If every family is diligent in this exercise, we will be able to break the head lice cycle in the school. We thank you in advance for your cooperation, and look forward to a **'Lice-free Term 3 at B.L.P.S.!'**

R U OKAY DAY

R U OK? Day was held today. It's a good reminder to everyone that any day is the day to ask, 'are you OK?' and support those struggling with life.

Ask R U OK? Have a conversation using these 4 steps

- 1 Ask R U OK?**
How are you travelling?
You don't seem yourself lately - want to talk about it?
- 2 Listen**
I'm here to listen if you want to talk more.
Have you been feeling this way for a while?
- 3 Encourage action**
What do you think is a first step that would help you through this?
Have you spoken to your doctor about this?
- 4 Check in**
Just wanted to check in and see how you're doing?
Have things improved for you since we last spoke?

Performing Arts News

Wow! Our State School Spectacular students have finally showcased their talents in two jaw dropping performances at the John Cain Arena on Saturday 9th September. They danced their hearts out and performed with enthusiasm. Their enjoyment was clear for all to see. Congratulations to all the students involved and a massive thank you to all the parents for their support.

A special mention goes out to Laila in 6P for her participation in the First Nations Ensemble. She was very honoured to meet and chat with Senior Wurundjeri elder, Aunty Joy before the afternoon performance.

Laila also designed her tshirt for this performance with the help of her older sister, Isabella.

It featured representations of gumleaves, wombat footprints and a handprint.

I'm sure you will all agree that it looks fantastic.

Performing Arts News

 The 2023 Victorian State Schools Spectacular is proudly supported by Channel 7 

Stay tuned for a special behind the scenes highlights from this year's State Schools Spectacular airing Saturday 9 December on Seven in Victoria.

It will also be live streaming nationally on 7plus for 60 days from the broadcast date. www.7plus.com.au

Performing Arts News

On Saturday the 9th of September, we all had a blast! The Victorian State Schools Spectacular held a show in John Cain arena and it was Spectacular. We performed 8 dances and I can't wait to watch it on Channel 7 in December.

Emily M 6C

VSS23 was an amazing experience that I'm so glad I got to be a part of. The choreography was really good and the costumes were just as good. I'm glad we got to keep some of them! For me, SSS was an opportunity to dance my heart out and be myself in my dancing. I loved hanging out with my friends and eating a lot of snacks. The performances were really fun and I'm so proud of myself and my friends because we all worked so hard! A huge thank you to Mrs Montgomery for helping us get that far as well! Thanks! ✨

Fun for kids and easy for parents

We understand that finding time to take your child to see the dentist can be very hard and time consuming, which is why we provide the service of having dentistry coming to you. Your child will receive quality dental treatment from our highly trained and professional dental team, all of whom are working with children certified.

We will also provide information to your child about the importance of maintaining great oral health, and we will ensure your child loves coming back to the dentist.

Child Dental Benefits Schedule (CDBS)

With assistance from the Government, Medicare has introduced a Child Dental Benefits Schedule (CDBS) that provides children access to basic dental services from the ages of 2-17 years old. The entitlement is capped at \$1,052 per child for every two calendar year period.

To be eligible, you or the child must be claiming one of the following benefits: Family Tax Benefits-Part A, Parenting Payment, Abstudy, Youth Allowance, Carer's Payment, Disability Support Pension, Special Benefits or Double Orphan Pension. To enquire if your child is eligible, please contact Medicare on 132 011.

Once your child's forms have been returned to your school and received by us, we will individually check each child's eligibility to see if treatment can be bulk billed through Medicare.

If your child is **not eligible** for the CDBS Funding, Teeth On Wheels can offer a special deal that is only available through your school for a check-up, clean and fluoride treatment (and x-rays if required) for only \$99 (pre-payment required) which can be up to 30% cheaper than a private practice.

Our service also provides children to be seen under **Private Health Insurance**, as most providers will offer two free check-ups and clean per family member each calendar year. To make a claim, you pay \$99 to Teeth On Wheels and we will provide you with an invoice to claim your treatment back through your Private Health Fund.

Walktober is coming!

Please share this newsletter with your leadership team, Health & Wellbeing teams and Year Level Coordinators.

Spring is here, Melbourne weather is improving - Let's get Active!

As October is fast approaching, it is time to think about how your school can Get Active! There are so many opportunities to start Term 4 with activities to promote and increase Active Travel among your students and families.

Historically, Walk to School was a major focus in October and now it is promoted all year round. However, with the improvement of our Melbourne weather over Term 4, we really encourage families to increase their Active Travel to and from school during October and leading into the warmer months ahead.

The key messages for families are:

- It doesn't have to be everyday - even just once a week will make a difference.
- Part of the way is **OK!**

In this newsletter, we have put together some helpful links that can assist you to share the active travel messages with families at your school.

COMMUNITY NEWS

During the month of October, the Safe Around Schools Team will provide weekly communication to all 97 schools in Casey on various Active Travel messages which you can easily share with your families.

We will also be launching an Active Travel competition for school families during the month of October across all of Casey to encourage all families to Get Active. This will also include "park & walk" and "part the way is ok", messaging to take the pressure of families, with great prizes on offer.

More information on the competition will follow.

Walk to School

Setting kids up for healthy, active lives.

A VicHealth initiative.

Walking, riding or scooting to school is great for children, families, health, traffic and the environment. Active travel to school encourages lifelong healthy habits, helps make the streets and drop-off zones around the school safer and less congested, and helps connect kids to their local neighborhood.

Schools can access the useful 'Strategies to encourage active travel to school' guide here: [WTS19-LGA-resource-guide.pdf \(vichealth.vic.gov.au\)](#)

Dear School Community,

Temporary Changes to Trading Hours for School Holidays

With the end of Term 3 quickly approaching, we'd like to advise you that there are changes to the trading hours of all Beleza retail stores during the holiday break. All Beleza stores will be closing at **2pm on Friday 15th of September** for the end of term and will be closed for the first week of holidays.

We'd recommend families check their local store's Google listing to confirm opening hours before visiting a store. As we have multiple Beleza locations across Victoria, we suggest searching "**Beleza + Your Suburb Name**" to ensure you're getting the most relevant information.

We'll return to our usual trading days and hours across all stores **from Monday 25th of September** so we'll be available to help families with anything they may need in the lead up to Term 4.

We'd like to apologise for any inconvenience that these changes may cause and thank you for your understanding. We hope you all have a safe and enjoyable holiday break!

Kind regards,

Beleza School Uniforms
