A reminder for parents that we can't have students waiting in the office for an early pick up. You're welcome to inform the office with an approximate time of arrival and we can organise for your child to be packed up and ready to go, waiting for you in the classroom and when you arrive, we'll contact the teacher to have them sent to the office.

## **WORLD TEACHERS' DAY**

On Friday 27th October, we will be celebrating World Teachers' Day. Teachers and support staff at Berwick Lodge strive to make a difference each and every day. So, if there is a teacher or staff member that you feel has made a difference for you or your child, please send them a brief message of thanks. A simple email or thank you at the end of class will make their day. Students might like to thank their teachers too, with a kind word, message, or drawing.

## **SAFE AROUND SCHOOLS: Active Travel – How to fit a helmet safely.**

As a community, we always love seeing children being active by riding, scooting, or skating in our neighbourhood. It is important your child always wears a helmet while on a bike, scooter, or skateboard to ensure they are not seriously injured. We are noticing some of our students who ride, skate or scoot to school, without their helmets. Could parents please have a conversation about safety. Please refer to the attached flyer from the City of Casey.

## **CRAZY HAIR DAY Friday 3<sup>rd</sup> November**

Have a little bit of fun as you get ready for school in the morning and come to school with your craziest hairstyle. No gold coin donation is required.

## **CURRICULUM DAY – MONDAY 6<sup>th</sup> November**

Monday 6<sup>th</sup> November is a curriculum day for our staff and no students are required at school on this day. Tuesday 7<sup>th</sup> November is a public holiday; so therefore, the school will be closed.

## City of Casey – “Walktober” 2023 Competition

It’s that time of the year again, Spring is here, and we start talking more about walking and physical exercise!

Dear Families,

You are invited to **participate in Walktober** and enter the **competition draw**.

**There are 50 x \$30.00 Gift Cards to win!**

All families need to do is **try walking, riding or scooting** to/from school or **try ‘park and walk’** – Park further away from the school and enjoy the short walk to or from school.

We have placed a Safe Around Schools poster with a QR code in **2** locations that are on your school’s Walk To School Map. (Hint: Reserves and Parks are great ‘park and walk’ locations!)

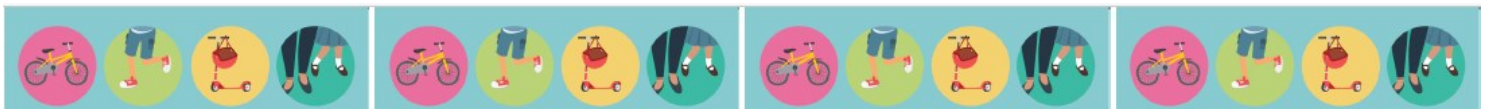

Once you find the poster, scan the QR Code and complete the short Entry Form to enter. The competition runs during October and school-related hours only, with a random draw to determine the winners.

The more times that you **park and walk**, or **walk, ride or scoot** over the month, the more times you can enter the competition!

Remember, with active travel ‘part the way is ok’ and it doesn’t have to be every day!

All winners will be drawn 2/11/2023 and notified by details given on the entry form

## SAFE AROUND SCHOOLS

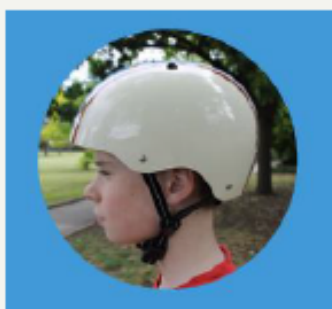

### Active Travel – How to fit a helmet safely.

As a community, we always love seeing children being active by riding, scooting, or skating in our neighborhood.

It is important your child always wears a helmet while on a bike, scooter, or skateboard to ensure they are not seriously injured. Wearing a helmet reduces the risk of head injuries by up to 74%.

Here is the correct way to fasten your helmet.

- ✔ Ensure your child's helmet is approved and carries the Australian standard AS/NZS 2063, which means it has been safety approved, legal and meets standards.
- ✔ When helmet is on ensure the helmet sits 2 fingers widths above the eyebrows
- ✔ Helmet straps must be correctly adjusted with no twists. The straps should form a V shape around the ears – see picture.
- ✔ Once the buckle is fastened, ensure you can place 2 fingers under the chin strap.
- ✔ If the helmet moves out of position easily, then your helmet is too loose and must be adjusted – either your straps are too loose, or your helmet is not the correct size.

#### Helmets must be worn when riding:

- ✔ On roads and road-related areas
- ✔ On bike or shared paths in bike lanes
- ✔ In recreational parks
- ✔ In carparks
- ✔ On footpaths

This short video demonstrates how to fit your bicycle helmet correctly Take the time and watch this with your children <https://youtu.be/VyCNRc8RZD1>
