Dear Parents/Guardians,

Berwick Lodge Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has enabled us to provide a wide range of subject and curriculum experiences for your children across all year levels. Other benefits include the continual replenishment of our IT devices so as provide all children with high calibre computers and up to date educational software. The move to ensure that all fees and charges by schools of parents are voluntary whilst welcome, does present us with significant challenges in maintaining the level of resources and programs we can offer. Uncertainty looms large. We now have no idea how many parents will choose to pay any, or all of what is now classified as 'voluntary contributions'. Crucially, the DET have not taken this into account when framing school budget allocations – meaning that schools are not reimbursed for any shortfall in voluntary contributions received from parents for particular resources or activities.

**Hence, the less we receive in voluntary contributions (given everything is now a 'voluntary contribution'), the greater the impact this will have on the resources we can purchase to support your child's education, programs we can offer such as STEM and less activities we can provide such as camps and excursions.**

In light of this, we hope that you are able to pay as much of the voluntary contributions we ask of you and there are number of ways in which we can support you in doing this. Further details regarding payment and support are listed below.

Please find below Berwick Lodge Primary School's voluntary financial contributions schedule for 2024, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

**Sandra McCrum**  
**Acting Principal**

**Rajkeerat Singh Sethi**  
**School Council President**
