NO STUDENTS AT SCHOOL – FRIDAY 6th JUNE AND MONDAY 9th JUNE

There is no school for students on Friday 6th June. Teachers will be working hard focusing on assessment data and writing semester 1 student reports. Camp Australia will be operating on the day. Please contact them for bookings. Monday 9th June is a public holiday, and no students will be at school on this day.

NATIONAL SORRY DAY/ RECONCILIATION DAY

Monday 26th May was National Sorry Day and this week is Reconciliation Week. Our school recognised Sorry Day with grades participating in a reflection walk around our grounds and reading messages. National Sorry Day is to acknowledge the stolen generation and reflect how we can all play a part in the healing process. National Reconciliation Week is held annually from the 27th May to the 3rd June. It's a time for Australians to learn about the shared histories, cultures, and achievements of Aboriginal and Torres Strait Islander peoples, and to explore how each of them can contribute to reconciliation. The week is dedicated to building respectful relationships and acknowledging the unique cultural heritage of Indigenous Australians.

ACTING PRINCIPAL'S REPORT

KINDER VISITS

Grade 5B and 5K students have enjoyed visiting our local kindergarten students at Mansfield Street and Timbarra kinder over the last two weeks. They read stories, played games and worked with the kinder children, some of whom may be coming to Berwick Lodge next year and our grade 5 students may become their grade 6 buddy in 2026. Thank you to our parent helpers for their assistance. Grade 5LS will have the opportunity to visit Headstart kinder next week.

DIVISIONAL CROSS COUNTRY CONGRATULATIONS

What an exciting week it has been for 7 of our students: Shepley P, Ruby M, Charlotte M, Kenara G, Archer T, Sabrina C and Ivy M who attended the Divisional Cross Country, representing our school. It was wonderful to hear how they all went, and we congratulate them all for making it this far. A few students were very successful and will now progress to the next level of the event competing at the upcoming regional competition. Good luck to everyone.

PREP ENROLMENTS OPEN

Our Prep 2026 enrolments are open and if you have a sibling who will be attending school next year, please follow the link to begin the enrolment application process. We encourage all families to enrol as soon as possible to assist us with our forward planning. If you have any questions, please contact the office.

2026 prep enrolment link: <https://students.educationapps.vic.gov.au/s/>

CANTEEN MONEY

It has come to our attention that a few students are bringing large amounts of money to spend at the canteen. We encourage families to provide no more than \$5 for spending on over-the-counter purchases.

MOBILE PHONES

We understand that some students carry a mobile phone to and from school, particularly if they are walking or riding to school. We ask all parents to remind their children if they are bringing a mobile phone to school, it must not be used on the school grounds and students should not be taking photos of other students. All phones are to remain in students' bags until they hand them directly to their classroom teacher at 9am for storage during the day and then returned by the teacher at the end of the day. Phones will be confiscated, and parents will be contacted if students are found using phones at school.

PREP ACTIVITIES

It has been a busy few weeks for our Prep students who have enjoyed having the Police and CFA visit the school to talk about keeping us safe. There was lots of excitement this week when the police officers put on the sirens and lights for our students.

HELMETED HONEYEATER AMBASSADOR PROGRAM – GRADE 4

Last week our grade 4 students participated in a presentation to learn about our school logo – the Helmeted Honeyeater. Students learnt about the habitat of the critically endangered bird, where it lives, what it eats and how Zoos Victoria and the Friends of the Helmeted Honeyeater are working very hard to increase the numbers in the wild. Our grade 4 students all have the opportunity, if interested, to apply to be a 2025 ambassador and they have until Monday 2nd June to hand in their applications to their teachers. I look forward to meeting with the students and then with the classroom teachers, selecting our 4 ambassadors for this year. The ambassadors will have the opportunity to go to Yellingbo to learn firsthand about the habitat and protecting the species including an excursion to Healesville Sanctuary to go behind the scenes to learn about the captive breeding program. Students applications will be displayed in the front office area over the next few weeks for all to see.

Warm Regards,

Sandra McOram

PREP NEWS

WELCOME TO PREP

This fortnight in prep land the preppies have been busy exploring all things patterns. We have made movement patters, patterns using natural materials and using blocks and beads in the classroom to create our own patterns. We have also spent time with our buddies building roads out of Lego and even went on a walk together for Reconciliation Week. Our highlights have been having the CFA and Police visit us at school and teaching us what to do in an emergency and how to stay safe!! Next week we have the School Crossing Officers coming to teach us how to be safe near roads!!

Reminders:

- Emergency Services Dress up Day - Week 10 (Date to be confirmed)
- Emergency vehicles project (Recycled materials needed) As part of our Inquiry unit, the students will be building an emergency vehicle out of recycled resources. We ask if you can please help your Prep find some recycled resources at home to bring to school to create their vehicle. These resources could include cardboard boxes, empty bottles, scrap paper/materials, paper towel rolls. Please do not send egg cartons, nut products or toilet paper rolls. Please send in what you can, when you can so we can start building soon!!

GRADE 1/2 NEWS

Grade 1 and 2

GRADE 1 PROJECT

Grade 1 students have been learning about moving toys and machines. We have discovered pulleys, levers, wedges, wheels and axels, screws and an incline plane. We will begin to design and make a toy of our choice in the coming few weeks.

NUMERACY

For Grade 1, our week has been filled with walks around the school discovering the many different shapes that make up our environment. Grade 2s have been learning a variety of strategies to add and subtract.

LEARNING

LITERACY

This week, students have been working hard in their classrooms with our Phonics program. Grade 2s have been focusing on the ch making the 'k' sound and Grade 1s have looked at the ar and or letter sounds. We have also begun to look at persuasive writing.

GRADE 2 PROJECT

- Grade 2s are off to a flying start with their Transport projects.
- They have been researching their select form of transport and have designed their posters. We are working in class to make their posters and present a talk to the class.

RECONCILIATION WEEK

Our school celebrated Reconciliation Week, by having a special Reconciliation walk on Monday. All grade 1 and 2 classes decorated a hand and visited reflection stations around the school. Our decorated hands were then placed on a display at station 2.

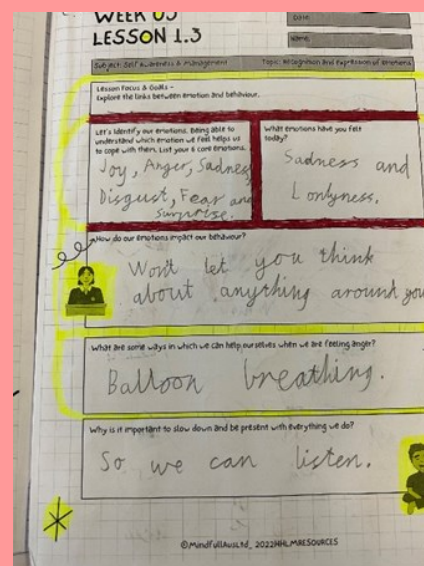

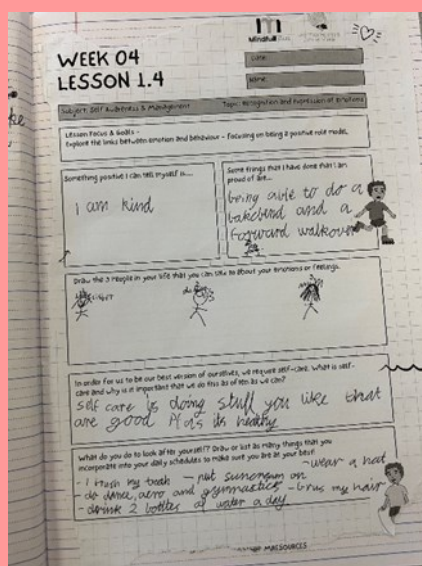

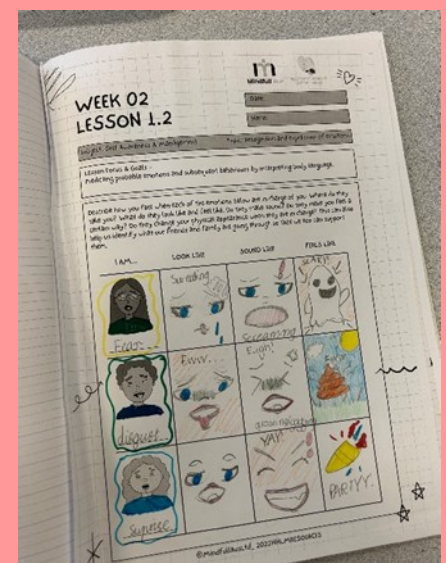

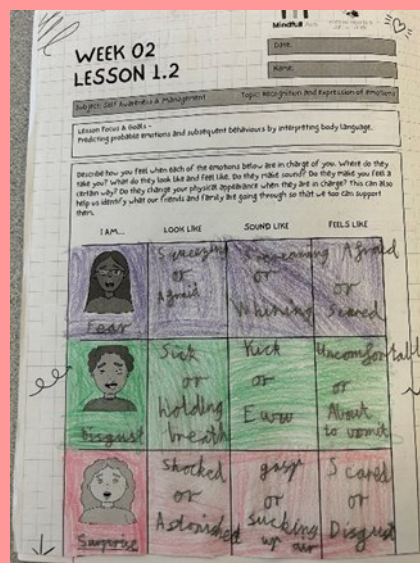

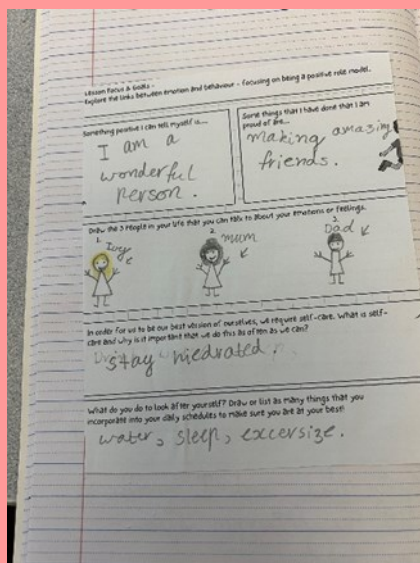

GRADE 3/4 NEWS

This term, our Grade 3 and 4 students have been participating in the *Healthy Hearts and Lighter Minds* program, developed by Mindfull Aus. This program is designed to help children understand and manage their emotions, build resilience, and develop empathy.

Recently, students have been exploring the positive role models in their own lives—people who show kindness, courage, and care in everyday situations. These conversations have encouraged students to reflect on the qualities they admire and how they can bring those traits into their own actions.

Have a look at some of their wonderful work below.

Rachael Wren on behalf of the 3/4 team.

GRADE 5/6 NEWS

Last week, 5B kicked off our Kinder Connections program with a visit to Mansfield Street Kindergarten. Students spent time reading with the kinder children, playing sports games, doing puzzles, and engaging in a variety of fun activities. It was wonderful to see our Grade 5s stepping into mentoring roles and demonstrating positive role modelling.

This initiative is designed to foster the leadership skills of our Grade 5 students- our future school leaders- while also building strong community connections. It helps support a smooth transition for kinder children who may be joining Berwick Lodge in 2026.

A big thank you to Rachel C, our wonderful parent helper, for joining us on this visit. Without the support of parent volunteers, we wouldn't be able to offer these fantastic opportunities to our students.

We plan to visit local kindergartens once per term throughout the year, deepening the relationships between our Grade 5s and the early learners. 5K and 5LS are eagerly looking forward to their upcoming visits to Timbarra Kindergarten and Headstart Berwick Early Learning Centre.

What does family mean to you? Use your art skills to be part of the celebrations, and win.

The Centre for Excellence in Child and Family Welfare (the Centre) is hosting a Children's Art Competition to celebrate National Families Week.

National Families Week is in May each year and is a time to celebrate family. This year, National Families Week runs from May 12 - 18.

WHAT CAN I WIN?

Entries will be published on the Centre's website, and entrants will be in the running to win a family movie ticket. Prizes will be awarded to the top five entries in three age categories. Winning entries will also be printed and framed for display at events run by the Centre. Any information that might identify the child or young person won't be publicly released.
