ACTING PRINCIPAL'S REPORT

GRADE 6 SOMERS CAMP

Our grade 6 students returned yesterday from Somers camp and they had a wonderful time. We received a phone call from the camp organisers to let us know that our students were one of the best groups of students they have ever had on camp which is wonderful to hear from an external organisation who see many students. Congratulations to our students for their outstanding behaviour representing BLPS whilst on camp. A very big thank you to our staff – Mr Pryor, Ms Lamba, Miss Bolton and Mrs Weber for all their hard work in making this a very successful camp. Thank you to our wonderful parent helpers Ruchi S, Stacey W, Kylee P, Fiona D, Danielle S, Andrew E and Palwasha G who without their assistance, our camps would not be able to be run. Well done everyone!

OPEN AFTERNOON MONDAY 12th MAY – EDUCATION WEEK

On Monday 12th May we will be holding our Education Week celebration open afternoon. Classrooms will be open from 3.45pm to 5.30pm and we look forward to seeing many families visit and celebrate what their children have achieved so far. A BBQ will be run with a limited number of sausages for purchase. Please see the flyer in the newsletter.

ANZAC DAY SERVICE

Last Friday our grade 6 captains – Ella, James, Ruby and Elijah were outstanding presenters when sharing Information about ANZAC day with our school. They spoke very professionally and are to be congratulated on their speeches which they confidently presented. Barry Erlenwein a representative from the RSL spoke to our students about how funds raised from selling badges which we do, is used to support returned veterans. On ANZAC day, both Ella and Ruby attended the service in Berwick to lay the wreath on behalf of the school. Lest we forget.

BERWICK LODGE PRIMARY SCHOOL

LEARNING FOR LIFE

ACTING PRINCIPAL'S REPORT

LATE ARRIVALS

If your child is going to be late to school, arriving after 9am please walk them into the office to be signed in by a parent/guardian. This is an important safety requirement, so we know all students are in attendance when they arrive at school. Parent support of this procedure is greatly appreciated.

ELECTION DAY FUNDRAISING BBQ

This Saturday our PFA are holding a fundraising BBQ at the school from 8am-2pm as our school is a local polling location. If you are voting or just want to come and support the school, please come and purchase a yummy sausage and/or a can of drink and support our fundraising efforts. A big thank you in advance to the wonderful parents and BLPS staff who have kindly offered their time to run the BBQ throughout the day. The weather is going to be lovely, bring the kids and enjoy a sausage whilst you vote and play!

PLANTING OF NEW TREE

Yesterday a few of our junior students assisted Mr Kerr and Mrs McCrum in planting a new Lilly Pilly tree in the grade 1/2 area near the portables. It will be wonderful for our students to nurture, water and watch this grow over the years, attracting birds and enhancing our school grounds. There were many enthusiastic students who assisted with digging the hole and watering the tree. Indy and Finn helped water the tree.

COMMUNITY GARDEN

Our Community Garden is taking shape and many of the beds have been planted with the assistance of Mr Kerr and students. We currently have pumpkins, potatoes, broad beans, blueberries, raspberries, silver beet, spring onions and other flowers and vegetables thriving. It is wonderful to see students enjoying assisting in the garden spaces at recess and lunch times. Being outside in the natural environment has wonderful benefits for our health. Please read below a report written by Kaylee and Libby from their experiences in the garden.

Hi my name is Kaylee from 4P and I wanted to tell you the fun things we did in the Community Garden. First, Mr Kerr got us to pull and shovel all the grass out and we went to the big hill of tanbark and Mr Kerr brought out two big buckets and filled it up with tanbark. We covered the garden bed with the tanbark. It was already looking really good. Mr Kerr and Libby layered all the tanbark flat on the garden beds. After we covered it with horse manure we had to work quickly so it didn't stink up, then Mr Kerr brought out some raspberry plants. We planted them one by one, there were 5 raspberry plants. As soon as we planted them we put a layer of tanbark around them. By Kaylee 4P.

Hi! My name is Libby. I'm from 6P and I'm going to tell you about the Community Garden! When you walk into the Community Garden you'd see people working together to keep the garden alive, along with Mr. Kerr who helps clear the gardens to plant new ones. On Tuesday we got to plant some raspberries after we spent the whole lunch just to get the weeds out and layer the ground with a lot of tanbark and fertilizer before we planted the raspberries down, the raspberries are going to become huge! I've been enjoying watching the pumpkins at the entry of the Community Garden and the potatoes slowly growing. I hope you enjoyed reading about the community garden!

By Libby 6P.

Thank you to Carolyn H and Bec S, two of our PFA parents who assisted in the garden on Monday morning to weed the area near the end of the gym. Our students will now be able to plant new plants and mulch this area. Your assistance is greatly appreciated.

FUNDRAISING FOR BLPS - CONTAINER DEPOSIT SCHEME - VICTORIA

CDS Vic East
Zone operator

Our school is registered to receive fundraising donations from "Return It" when 10c plastic bottles and cans are recycled at their facilities. Families can select to donate to the school with all money raised being utilised within our school environmental and educational programs. **If you wish to donate, please search for Berwick Lodge Primary School or use the ID code: C2000021153**

2026 PREP ENROLMENTS NOW OPEN

Our Prep enrolments for 2026 are now open. Please contact the office if you have a child who will be eligible to start school next year so we can include you on our email list of information. The enrolment process is completed online for families and the office will be able to provide further information. The link to enrol is:

<https://students.educationapps.vic.gov.au/s/>

ACTING PRINCIPAL'S REPORT

HELMETED HONEYEATER AMBASSADOR PROGRAM – GRADE 4

The Helmeted Honeyeater is our school logo and we have been involved as an ambassador school with the Friends of the Helmeted Honeyeater since 2016. I first took a group of our garden club students to visit Yellingbo in 2015, planting many plants. From there the ambassador program flourished. At the end of last year, we were informed that the government had cut funding for the Environmental Education officer who ran the program. I reached out this year to the new President, Sue Bendel and she is very keen to continue the program with our school. It is wonderful that we will be able to offer this to our selected grade 4 students again this year. All grade 4 students will have the opportunity to participate in an incursion later this term to learn about the critically endangered species. Interested students can then apply to be an ambassador for 2025. The selected students then work with me and participate in 3 further excursions to Yellingbo nature reserve, the nursery and the final activity to visit Healesville Sanctuary behind the scenes to see the breeding program. Past students who have been ambassadors have loved the opportunity to learn more and share their information with our school community. I look forward to working with our ambassadors again this year.

SCHOOL PHOTOS

You may have noticed that your child's photo has been updated on Compass. If you purchased the photo packs, we are still waiting for these packs to arrive at the school. Parents will be notified when they have arrived via Compass.

Kind regards,

Sandra McCrum

HAVE YOU CHANGED YOUR ADDRESS OR PHONE NUMBER?

Please ensure you let the school office know if you have changed address or updated mobile phones with new numbers. This information alleviates stressful situations for students when they are ill and we cannot contact parents.

Assistant Principals' Report

SCHOOL ATTENDANCE

At Berwick Lodge, we prioritise regular school attendance. We will work with families to ensure students are in class with their peers and teachers and enjoying all the benefits that brings.

Attending school every day means experiencing what counts – the learning, friendship, fun and opportunities that can shape your child's future.

We understand that there are times when your child will need to miss school but to ensure minimal disruption to their education, please consider scheduling family holidays or medical/dental appointments outside of school time. If your child is well enough to attend but is worried about friendships, or schoolwork, please encourage them to come to school and discuss this with the class teacher, or wellbeing staff.

Avoiding school can make these feelings worse and can create a negative pattern of behaviour.

We know that parents and carers can be juggling challenges daily to get your children to school. If your child must miss school, notify us as soon as possible so we can work together to support them.

For more information about the importance of everyday attendance, see [Attendance and Missing School](#).

Remember, every day counts.

BREAKFAST CLUB

Breakfast club will start on Monday next week at 8:45am-9:00am. The breakfast club will operate from the conference room, which is part of the main building, opposite the canteen.

The breakfast club will be organised as a grab and go system, where students select their food item and eat outside.

There will be a small selection of cereal and milk available, fruit (apples and pears) and fruit cups.

Any student that attends breakfast club will need to be marked off our register, so we can ensure they have permission, and any food allergies are checked. If you haven't given permission for your child to have access to the breakfast club, and wish to do so, please contact the office.

NATIONAL FAMILY READING MONTH

May is National Family Reading Month, and encourages families to read together on a regular basis to create strong reading habits. Most of us know how important reading together is and its long-term value to our children's success in school and in life. However, we also know it is not always that easy to put into practice with our busy schedules and increasing competition with screen time. We believe that all children, with the help of their families and reading role models, can benefit from a lifelong love of reading. We encourage families to make reading together for at least 10 minutes every day a focus, to create positive, long lasting reading habits and lifelong readers!

ACARA NAPLAN Item Trial

Berwick Lodge has been chosen to participate in a NAPLAN Item Trial by ACARA (Australian Curriculum, Assessment and Reporting Authority). Selected classes in Year 3 and 5 will participate in the Trial, participating in NAPLAN simulated tasks. No student information or results are collected. Details and dates will be confirmed in the coming weeks. Please speak to your classroom teacher if you have any questions or concerns.

Angela Maskery and Sharyn King

STUDENT OF THE WEEK AWARDS

PREP

Prep F – Lucas and Axel

Prep N – Isabel and Isaac

Prep W – Dino and Mia

GRADE 3 AND 4

3W – Aara and James

4P – Taylor and Archer

2026 ENROLMENTS

School Tours are now open!

Tours will be held on Mondays, Wednesdays and Thursdays.
Bookings are essential, please contact the office on 9709 6700.

For all those families who have a sibling starting prep next year, please inform the office if you have not already done so.

If you know of any friends or family who are interested in attending Berwick Lodge next year, please ask them to contact the office on 9709 6700 or they can send an email to berwick.lodge.ps@education.vic.gov.au

Foundation News

This week in Grade Prep

We hope you all had a wonderful break and are ready for an exciting Term 2! The Foundation students have settled back beautifully into the classroom, and we're off to a great start.

This week in Maths, we've been exploring subitising (recognising small amounts without counting) and counting collections. Students enjoyed counting objects inside the classroom and also ventured outside to collect natural materials like leaves and stones to help practice these skills in a hands-on way.

In Literacy, we've kicked off the term with our Phonics Plus program, where students are learning letter-sound relationships through songs, actions, and engaging games.

We've also begun using the Seven Steps to Writing program, helping students develop their ideas and structure their writing in creative and meaningful ways.

Reminders

As part of our Community Helpers unit, we're excited to welcome some real-life heroes this week! Two Paramedics will be visiting our school on Friday, giving students the opportunity to learn about what they do and how they help keep us safe.

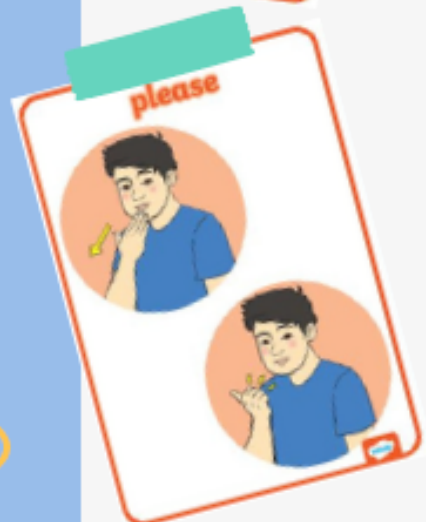

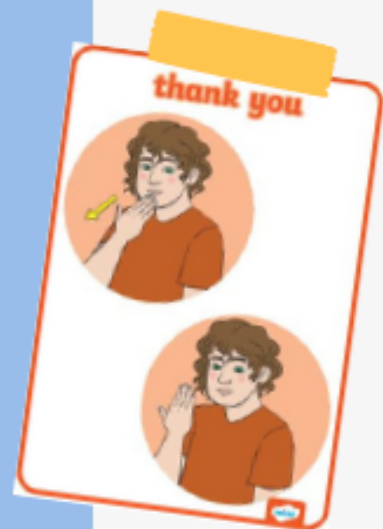

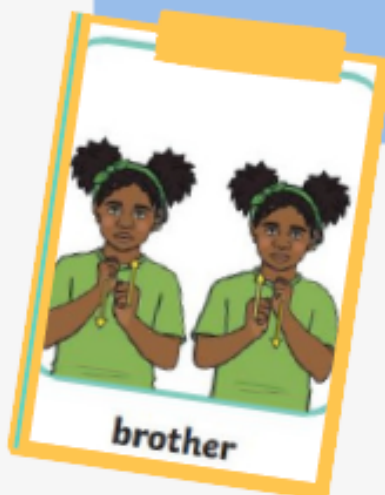

GRADE 1/2 NEWS

GRADE 1/2 *News*

This year, our Grade 1/2 students have been embracing a new way to communicate through AUSLAN (Australian Sign Language)! During each weekly assembly, we've been learning one new AUSLAN word and practising it together. It's been a fun, inclusive experience that helps build understanding and awareness of the deaf community.

So far, we've learned everyday signs such as "please", "thank you", and "buddy", as well as words connected to family, like "mum", "dad", "sister", and "brother". The students have loved using their hands to express themselves and have shown great enthusiasm in remembering each week's new sign.

The Grade 1/2 Team

GRADE 3/4 NEWS

Grade 3 and 4 - Honouring the ANZAC Spirit

As part of *Community, Remembrance and Celebration* studies, the Grade 3 and 4 students spent time learning about ANZAC Day. Through discussions, storytelling, and creative activities, they learned about the traditions and values that shape this important day. They listened to stories of bravery and resilience, asked big questions, and reflected on how we can continue to honour the ANZAC spirit today. Students created agamographs and illustrations to reflect the ANZAC spirit.

GRADE 5/6 NEWS

GRADE 5&6

Somers Camp Reflection

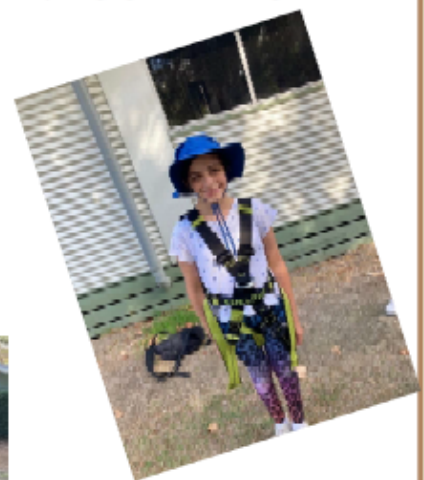

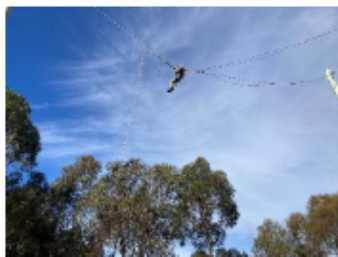

Our recent Grade 6 camp at Somers was an incredible experience for both students and staff. Over the course of the 3 days, we watched our students grow in confidence, resilience, and teamwork while having a fantastic time in the great outdoors.

The days were packed with adventure – from high ropes to beach walks, bush walking and the challenge swing. Each activity challenged students in different ways and gave them opportunities to step out of their comfort zones and work together in a different environment. We were so proud of how they supported each other, tried new things, and embraced every moment with enthusiasm and positivity.

We'd like to thank the amazing staff at Somers Camp for their energy, organisation, and care throughout the week. Most importantly, we want to sincerely thank our parent helpers Kylie, Stacey, Danielle, Fiona, Andrew, Ruchi, Palwasha. Your support over the three days was appreciated immensely.

To our wonderful Grade 6 students: you made us proud. Your attitude, behaviour, and willingness to participate made camp a joy for everyone involved.

– The Grade 6 Teachers

STEM NEWS

Building Bridges and Big Ideas in STEM!

This week in STEM, students across the school have been diving into the fascinating world of strong shapes and structures! From our youngest learners to our senior students, everyone took on the exciting challenge of building a bridge that could hold a toy car — without collapsing — for at least five seconds.

Our Junior School engineers worked with LEGO bricks, using their creativity and problem-solving skills to design sturdy bridges. It was fantastic to see how quickly they discovered the strength of certain shapes — especially triangles and arches — and how they could reinforce their designs for extra stability.

Meanwhile, students in the middle and senior years took on an extra layer of complexity, using only paper, straws, string, sticky tape and scissors to create their bridges. This tested not just their engineering skills but also their teamwork, patience and resilience! It was amazing to see students experimenting, adapting and learning from their mistakes — just like real engineers do.

Through this hands-on experience, students developed a deeper understanding of how strong shapes are used in real-world structures like bridges, towers and buildings. More importantly, they learned that success often comes after a few "crashes" — and that's where the best learning happens.

Congratulations to all our STEM students for their brilliant efforts, creativity and persistence. I can't wait to see what they build next!

art news

ART SMOCKS

Just a reminder, some students are still without an Art Smock. Whilst we do not use them each lesson, they are an essential part of the program throughout the term, to protect clothing. If you are in need of a new art smock and are looking for a simple solution that is super creative. A basic white t-shirt is perfect from Kmart or even an old used oversized t-shirt is just as good! That way your student can create artwork throughout the year on their shirt, a masterpiece to treasure.

Please name all art smocks.

Thank you so much

Mrs Zammit

Visual Art Teacher

PFA NEWS

The PFA has a busy couple of weeks coming up, mark your calendars with these important dates:

- **Saturday 3rd May** – BLPS Election Day BBQ
 - **Thursday 8th May** – Mother's Day Stall
 - **Monday 12th May** – PFA Meeting

Read on for more details!

Election Day BBQ **Saturday 3rd May | 8:00am – 2:00pm**

The Democracy Sausage is back! BLPS will be firing up the BBQ on Election Day as we serve up sausages and cold drinks to raise funds for our school. Whether you're voting on the day or just in the area, swing by the school for a bite and support our school community.

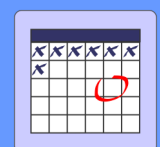

Mother's Day Stall **Thursday 8th May**

Our popular Mother's Day Stall gives students the opportunity to purchase a special gift for Mum or a loved one. Gifts are \$5 each and must be pre-purchased via Compass by **Monday 5th May**, each student can purchase up to four gifts.

Thank you to our wonderful volunteers assisting at the stall! We're still looking for extra hands to help prepare gift bags on **Wednesday 7th May at 2:00pm**.
If you can assist, please email us (details below).

PFA Meeting **Monday 12th May | 9:00am**

Interested in what the PFA does or keen to get involved? Join us for our next meeting in the Camp Australia building. It's a great opportunity to meet other parents and become part of our school community. Younger children are very welcome.

LIBRARY NEWS

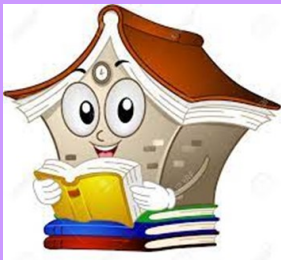

Please make sure you return your library books on time and bring a library bag so you can borrow new books. There are lots of new titles available for loan, check out the display near the loans desk for these. We also have a trolley of books that have recently been returned and have had great reviews from the borrowers. If you need a little bit of inspiration, this is a great place to start. You can also use the Ipads to scan our QR code to see which books are currently available in the library.

We have some exciting things happening in the library this term. There will be our usual, weekly library sessions as well as some special days to celebrate.

We have **National Simultaneous Storytime** coming up soon and this year the book being featured is **'THE TRUCK CAT'** by Deborah Frenkel and Danny Snell. *"From two award-winning creators comes a story about cats and humans, immigration and identity, and homes lost and found."* All of our classes will be able to watch and listen as the author presents their book nationwide on Wednesday the 21st of May.

There will be many Indigenous Australian stories being shared as we head towards **National Sorry Day** as well. Our grade Prep, One and Two students are currently reading Dreamtime stories during their Library sessions.

Scholastic Australia have created a reading challenge for all students to participate in during May. May is **NATIONAL FAMILY READING MONTH**, register before the 1st of May and you could win one of 50 signed copies of a book written by this year's ambassador, Mr Luke. Mr Luke is a Primary School teacher who makes learning FUN and he has written a book called 'Guess What We Are Doing Today?'. By registering, you could win a copy of his second book which is being released in June. All you need to do for this challenge is to register online then read with your family for TEN MINUTES every day in May. Please follow this link to register: <https://www.scholastic.com.au/nfrm>

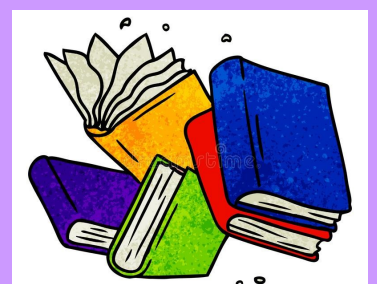

Library Club is running on Tuesdays during lunchtime this term. We had a great time creating Mother's Day cards and origami this week. With the cooler weather coming, the library is a great place to stay nice and cosy. Come along and draw, colour in, play quiet games and read.

BOOK CLUB ORDERS

Issue 3 of Scholastic Book Club is out now. This issue contains loads of fantastic offers on many popular books and includes lots of Graphic Novels, Picture Story Books, Non-fiction books and novels. There are also lots of stationery items available as well. Don't forget to do the colouring in page and the word search and remember all orders receive a \$5.00 promo code for use in the next catalogue. If you have a voucher from Issue 2, make sure you use it for this issue too.

All orders are due by **Friday, 9th May** at 5.00pm.

Happy Reading everyone,
Karen Tsekouras
