NEW SAND PIT – SENSORY GARDEN

There was great excitement on Tuesday when our Prep, Grade one and Grade two students discovered a new sand pit area in the Sensory Garden. It was wonderful to see the enjoyment on students' faces as they played in the new space. Thank you to Geoff, our maintenance person for installing this over the long weekend.

INCIDENT AT SCHOOL CROSSING ON MANSFIELD STREET

Yesterday we had a near miss on the Mansfield Street school crossing just before 9:00am while students and the crossing supervisor were on the crossing. A white hatch back car, driven possibly by a parent, nearly failed to stop at the crossing. I have contacted the City of Casey, and the bylaws officer will be present around our school and possibly the police as well. This is a timely reminder to not be on your phone when driving and to be very vigilant especially at pick up and drop off times. If any parents were witness to the incident or have dashcam footage, please contact me at school and/or forward this information to the police.

STUDENT REPORTS AND PARENT TEACHER INTERVIEWS

On the last day of term two, all families will receive their child's semester one school report which will be accessible via Compass. We encourage all families to read the reports and book a time to meet with the class teacher to discuss students' progress. Our Parent Teacher interviews will be held over the first two weeks of term 3 as follows:

Tuesday 22nd July, Wednesday 23rd July, Thursday 24th July, Monday 28th July and Tuesday 29th July. Parents will be able to book a time to meet with their child's teacher between 3.40pm and 4.40pm on each of these days. If these dates/times don't suit, we encourage parents to speak directly to your child's teacher and organise an alternative time. Parents will receive notification via Compass to book times very soon.

LEARNING FOR LIFE

ACTING PRINCIPAL'S REPORT

WHOOPIING COUGH AND OTHER ILLNESS

This is the season for colds, coughs, flu, viruses etc and we were alerted last week of two confirmed whooping cough cases. If your child is unwell, please keep them at home and seek further advice from your doctor. This helps prevent the spread of any illnesses across the school.

DRAGON BOAT FESTIVAL

Last Thursday it was wonderful to see many students dressed in red, yellow, gold or traditional dress as we celebrated the Dragon Boat festival. Our students performed wonderfully at our assembly and a special visit from the Kew Martial Arts group who demonstrated Tai Chi and Kung Fu was a highlight. Our grade 5/6 students had the opportunity to make a beautiful fan using traditional dyes. Thank you to Ms Tian for organising the special day for our students.

PROMOTING A LOVE OF READING

Reading regularly with your children is a great way to develop literacy skills and a wonderful way to explore the imagination and learn about new things. We strongly encourage all students to be reading daily at home with families. This may be selected books from school, library books or the students own books from home. Setting up a regular reading routine can assist students to develop fluency and comprehension skills when reading. Reading for enjoyment with families is a wonderful way to share the experience and set up a love of reading for life.

STAFFING CHANGES

Mrs Rachel Williams will be leaving the school at the end of next week to commence family leave. We thank her for her time at Berwick Lodge, and we wish her all the best for the expected arrival of her second child. Replacing Rachel in grade 6CR will be Ms Alison McArthur, an experienced staff member of Berwick Lodge who will be returning to teach in the classroom on Tuesdays and Wednesdays. We look forward to welcoming Alison back, and many students will remember her as she has previously taught PE and other classes over the years at BLPS. We are also welcoming back full time from family leave Mrs Carla Conway who is also an experienced staff member of Berwick Lodge. Carla will be taking on various teaching duties and it will be wonderful to have her back.

FUNDRAISING FOR BLPS - CONTAINER DEPOSIT SCHEME - VICTORIA

Our school is registered to receive fundraising donations from "Return It" when 10c plastic bottles and cans are recycled at their facilities. Families can select to donate to the school with all money raised being utilised within our school environmental and educational programs. **If you wish to donate, please search for Berwick Lodge Primary School or use the ID code: C2000021153**

LOST PROPERTY

There are many lost property items that have been sorted and now line the main corridor. Named items have been returned to their owners, but there are still many unnamed items left for collection. If your child has missing items, please check the main corridor. In particular, there is a large number of windcheaters and jackets that would be very useful for our cold winter mornings.

WINTER WEATHER

The cold weather has now set in. Please make sure that children are dressed for the cold weather, with a warm jacket and a beanie. We want the children to continue to enjoy playing outside even on the colder days. Also, as the grounds can get a little wet and soggy, please pack a change of clothes in your child's school bag.

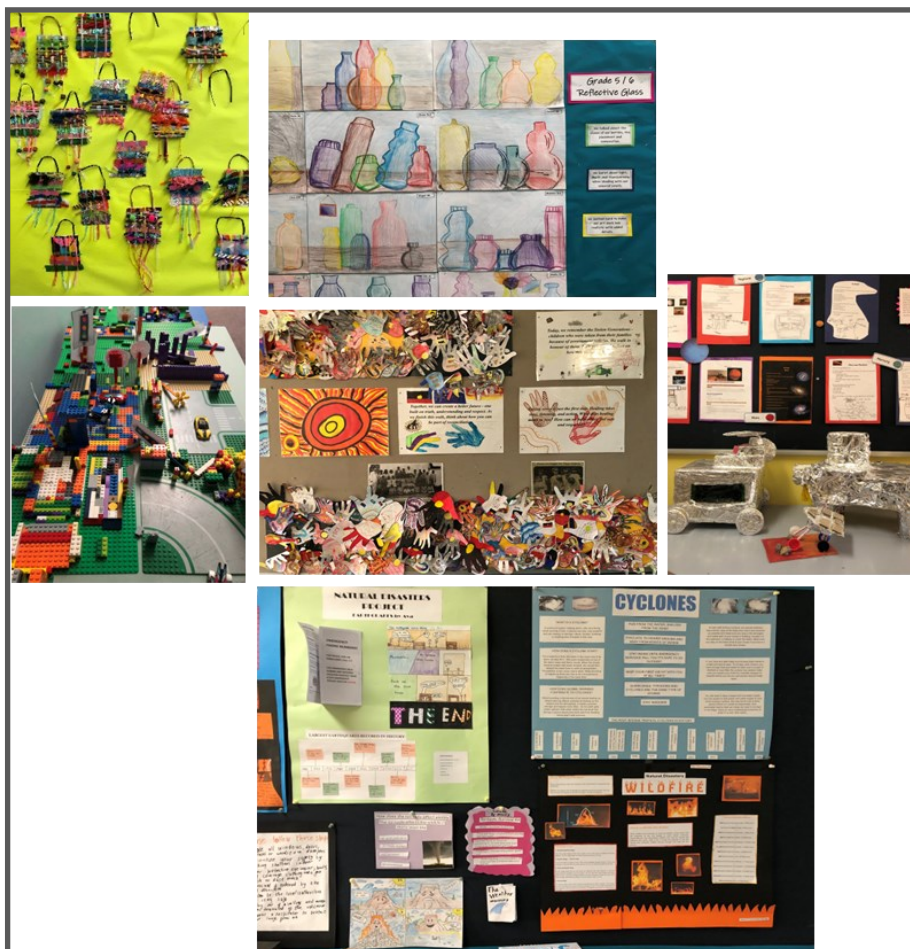

SCHOOL PHOTOS

School photos were sent home this week. We hope you enjoyed a snapshot of their current stage of school, helping to document milestones and personal growth.

WORK ON DISPLAY

There is some amazing work on display throughout the school.

IN OTHER NEWS...

Dear families,

The Smile Squad team from Monash Health are planning to return to your school this year.

Smile Squad is the Victorian Government free school dental program. This means all students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the below QR code:

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment for them to be seen at school. However, if you wish to attend you are welcome to make an appointment at your local community dental clinic.

The Monash Health Smile Squad team look forward to seeing your child soon.

LAST WEEK

What a busy and exciting time it has been in Foundation! Last week, our students participated in a Reconciliation Walk with their Grade 5/6 buddies to mark National Sorry Day. It was a meaningful experience where students reflected on the importance of respect, understanding, and unity within our community. As part of our Community Helpers unit, we were lucky to have two special incursions. The first visit was from the School Crossing Supervisors, who reminded us how to stay safe when crossing the road. The second was from Victoria Police, who spoke to us about the important role they play in helping and protecting people. The highlight was definitely getting a close-up look at the police car! In Math's, we've been learning all about directional and positional language. Students had lots of fun creating their own maps and playing movement games to learn words like "left," "right," "above," and "below." It's been wonderful to see them apply this new vocabulary in both the classroom and the playground!

REMINDERS

To celebrate the conclusion of our Term 2 inquiry unit on Community Helpers, students are invited to dress up as their favourite community helper on the last day of term.

GRADE 1/2 NEWS

On Monday 26th May we walked from tree to tree to think about what “**Reconciliation**” means in 2025. Each tree had information about the past that we read together and questions for us to think about.

Reconciliation means saying sorry and thinking about the past and working towards a better future. We want all Australians to feel respected and live in harmony.

"I've learnt to respect Aboriginals and different cultures." Indy 2LM
"Aboriginals have lived on this country for 60,000 years then white people just took over." Ayrton 2LM
"I've learnt to respect other people and to listen to them." Charlotte 2LM

"I've learnt that we need to be kind and always look after each other." Kaaya 2SM
"I've learnt that it's really important to say sorry to people when we haven't been nice." Andre 2SM
"It's important to always care about people's feelings." Ethan 2SM

GRADE 3/4 NEWS

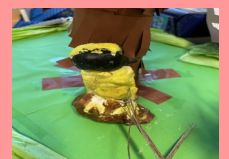

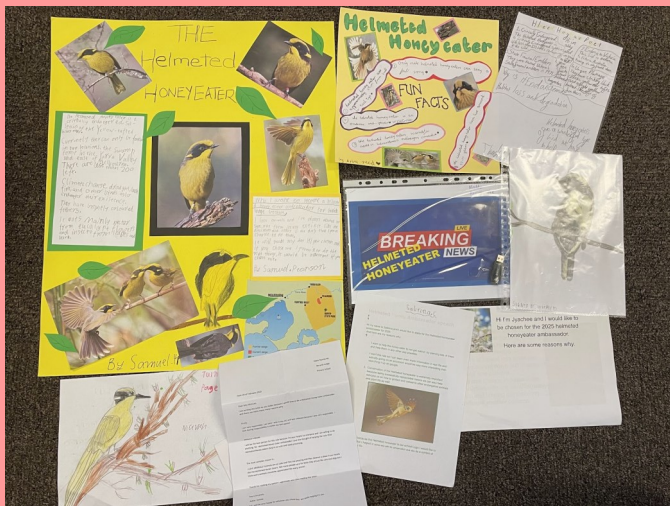

We are thrilled to have received so many creative and thoughtful submissions from grade 4 students eager to become our *Helmeted Honeyeater Ambassadors*! The Helmeted Honeyeater is not only Victoria's state bird, but also our proud school mascot—a symbol of resilience, uniqueness and care for the environment.

Did you know?

- The Helmeted Honeyeater is critically endangered and can only be found in small pockets of bushland in Victoria.
- It gets its name from the striking yellow 'helmet' marking on its head.
- These birds play an important role in their ecosystem by helping to pollinate native plants.

Our student ambassadors will soon be announced. They will represent our school on special excursions to Yellingbo Nature Conservation Area—home of the Helmeted Honeyeater. They will learn firsthand about conservation efforts to support our Helmeted Honey Eaters. Ambassadors will share their knowledge and experiences with the school throughout the year.

Stay tuned - we can't wait to introduce you to our 2025 Helmeted Honeyeater Ambassadors! Well done to all the grade 4s that took the time to create their artefacts for selections.

GRADE 5/6 NEWS

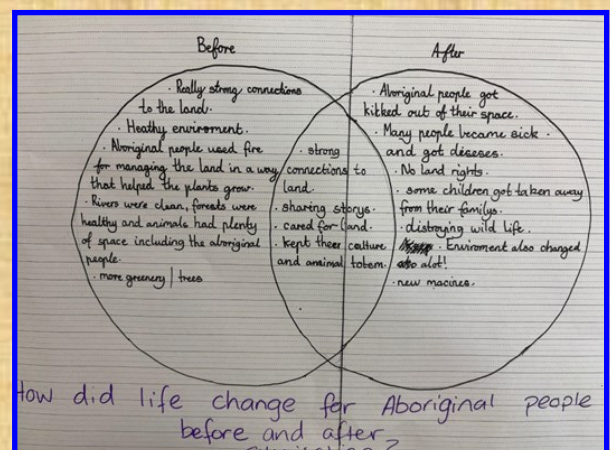

Grade 6 students have begun their term 2 Civics & Citizenship portfolio project.

The students are tasked with showing their knowledge of the 3 levels of government in Australia. They also have the chance to write a persuasive letter to a member of parliament. These letters are designed to motivate relevant government ministers to take action on issues in the areas of health, transport, education or sport.

The third project task is to produce a class pledge, based on student knowledge of various pledges of citizenship from around the world. Get to it 6's!

In Grade 5 we have been converting measurements. We have done some hands-on learning by matching pairs of different units of length. We have also been learning about and making our own Venn diagrams. The learning never stops in Grade 5!

MANDARIN NEWS

Dragon Boat Festival Assembly – A Fun and Exciting Celebration

On June 5th, we had a wonderful assembly to celebrate the Chinese Dragon Boat Festival. The whole school came together to enjoy performances, learn about Chinese culture, and have fun.

Some Year 6 students performed an amazing dragon and lion dance. They wore colourful costumes and moved with energy and confidence. The crowd loved it and cheered loudly!

We also enjoyed a graceful fan dance performed by some students from Years 4 to 6. They danced in time with the music and showed great teamwork. Their performance was calm, beautiful, and full of culture.

The most exciting part of the assembly was the martial arts performance, presented by visitors from the Australian East Wu Tai Chi Alliance. The performers showed strong and powerful moves. Everyone was amazed by their skills and gave big applause. After the performance, we had a fun martial arts workshop! The whole school joined in to learn some cool martial arts moves. Students and teachers all stood up, followed the instructors, and tried out the actions together. It was a great way to get moving and experience part of Chinese tradition in a hands-on way.

The Dragon Boat Festival is one of the most important and traditional Chinese festivals. It has a history of over 2,000 years and is celebrated not only in China but also in many other countries. In 2009, it was added to the UNESCO Intangible Cultural Heritage list, showing its cultural value to the world. This festival is a time to celebrate culture, teamwork, and strength. This assembly helped us learn more about these traditions and brought lots of joy and energy to our school.

A big thank you to all the students who performed, the special guests from the Australian East Wu Tai Chi Alliance, and the teachers who support the event. Well done to Anujini and Elliott, our Mandarin Captains, for confidently hosting the whole assembly! You both did an excellent job.

Year 5/6 Students Explore Chinese Art Through Lacquer Fan Incursion

As part of our Dragon Boat Festival celebrations, our Year 5 and 6 students took part in a unique and hands-on cultural experience — a Lacquer Fan incursion on June 5th. This special workshop was delivered by Mirror Arts Education, who introduced students to the traditional Chinese art of lacquer fan making.

During the session, students learned about the history and cultural meaning of lacquer fans in China. They discovered how fans were used not only to stay cool but also as symbols of beauty, elegance, and creativity. Students were fascinated to learn that fan-making is considered a traditional art form with deep roots in Chinese culture.

The most exciting part of the incursion was when students got to design and create their own lacquer fans. Using colourful paints, marbling techniques, and a touch of creativity, each student made a one-of-a-kind fan to take home. The process was both relaxing and inspiring — a perfect mix of art, culture, and fun.

Many students said it was one of the best incursions they had ever done. It gave them a chance to express themselves artistically while learning about an important part of Chinese heritage. The activity also connected beautifully to what they have been learning in their Mandarin classes.

We would like to thank Mirror Arts Education for running such a meaningful and well-organised workshop, and to all the staff who helped make the experience possible. It was a wonderful way to deepen our understanding of Chinese culture and to celebrate the Dragon Boat Festival in a creative and memorable way.

National Families Week **Art Competition**

The Centre for Excellence in Child and Family Welfare's Children's Art Competition for National Families Week

What does family mean to you? Use your art skills to be part of the celebrations, and win.

The Centre for Excellence in Child and Family Welfare (the Centre) is hosting a Children's Art Competition to celebrate National Families Week.

National Families Week is in May each year and is a time to celebrate family. This year, National Families Week runs from May 12 - 18.

WHAT IS THE COMPETITION?

We're asking children and young people to use their creative skills to show us, "What does family mean to you?" Children and young people can create their artwork digitally or by hand, but entries must be their original work. Entrants can also use the worksheet to tell us about their artwork and explain in words what family means to them. We'll display their words with their artwork, where possible.

WHAT CAN I WIN?

Entries will be published on the Centre's website, and entrants will be in the running to win a family movie ticket. Prizes will be awarded to the top five entries in three age categories. Winning entries will also be printed and framed for display at events run by the Centre. Any information that might identify the child or young person won't be publicly released.

HOW DO I ENTER?

This art competition is open to children and young people under the age of 18, who live in Victoria and Tasmania. Children and young people will need permission from a parent or primary caregiver to enter. An adult will need to submit entries on their behalf. Entries close on June 30, 2025. **Entries are submitted at www.cfecfw.org.au/art.** The Centre will contact winners in July 2025. Competition Terms and Conditions are available on the Centre's website.
