LEARNING FOR LIFE

PRINCIPAL'S REPORT

HELMETED HONEYEATER AMBASSADOR REPORT

On Tuesday 8th September we went to Yellingbo indigenous nursery with Mrs McCrum to learn all about the plants and nature to help the Helmeted Honeyeater. We met one of the volunteers named Linda who showed us how to separate one of the native plants and replace them in the new plastic pots. First, you squeeze them out of the old pot then you separate the plant and put it in the new pot with soil. We planted spear seeds that dig into the soil all by themselves when they are wet. We also met a volunteer who told us about some seeds like the eucalyptus seed which are so tiny they look like a speck of dust. We planted small seedlings from a native plant that we cut and planted the seedlings into 4 plastic trays. We ate lunch in the lovely sun. We saw 9 spiders randomly throughout our excursion. Sophia saw two slugs. We also planted 200 plants in the pots. Sue gave us a beanie and a badge each to keep. We had a great day. By Sophia, Harry, Kaidyn and Mary.

Kind regards,

Sandra McCrum

STATE SCHOOL SPECTACULAR

Congratulations to our students who participated in the State School Spectacular last weekend. It was a fabulous performance, and our students were enthusiastic and vibrant in the mass choir. Well done to Mrs Stevens our Performing Arts teacher for another outstanding show case of talented students from Berwick Lodge. We look forward to seeing the show later in the year on channel 7.

CHINESE MOON FESTIVAL

A big thank you to Ms Wen Tian for organising a wonderful cultural day to celebrate the Chinese Moon Festival. Many students were wearing cultural dress and there was a sea of red and yellow in every classroom.

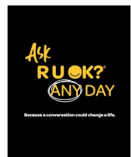

Year 3/4 students stepped in to the world of traditional Chinese performing arts through an interactive and engaging cultural experience. They enjoyed live demonstrations of traditional Chinese instruments, including the guzheng (Chinese zither) and erhu (Chinese two-stringed instrument), and watched a beautiful Water Sleeve Dance performance.

Year 5/6 students participated in a Chinese tie-dye (Zharan) workshop. They learnt the basic techniques of folding, tying and dyeing, with each student creating their own unique tie-dye T-shirt to take home.

Thank you to the students from 2MS and our visitors for the beautiful performances during our whole school assembly.

GRADE 1/2 NEWS

GRADE 1/2

Sound and Light

Grade 1 students have been busy exploring Light and Sound in Inquiry! Students investigated how sound is created by vibrations, watching rice move as sound waves travelled from a speaker. They also explored different sources of light and discovered how shadows are formed when an object blocks light. Through hands-on experiments and investigations, students have enjoyed making predictions, sharing observations and discovering how light and sound work in the world around us.

Night and Day

Grade 2 students have been exploring Night and Day in Inquiry! Students have been learning about the Sun, Earth and Moon and how their movements help create the changes we see in our everyday lives. As part of the unit, students investigated shadows, exploring how they are created when light is blocked and observing how shadows can change in size and position. Students have enjoyed using hands-on activities, making observations and asking questions about the world and space around them!

GRADE 3/4 NEWS

This week Grade 3 students participated in the **Shared Country** program at the Royal Botanic Gardens Cranbourne, where they explored Aboriginal connections to Country and learnt how First Nations peoples have used and cared for the land for thousands of years. Through hands-on activities, students learnt about traditional uses of native plants for food, medicine and tools.

GRADE 3 SHARED COUNTRY EXCURSION

Jaffa was an indigenous lady who taught us about all the tools, weapons and other things her ancestors invented. Some of the Grade 3s got to wear kangaroo and wallaby skins and use a stick to make pretend fire.

We learnt that possum fur is the third warmest fur in the world after the polar bear and the arctic fox. It was so soft. Aboriginal people used this fur for their clothes and baby blankets. If it was turned over, it was waterproof.

Using ochre was fun. We used a rubbing stone, ochre and water to make paint. We put it on our hands and fingers and stamped it onto a rock face. We used our fingers to make aboriginal marks and symbols.

GRADE 5/6 NEWS

5/6 Newsletter

This term has been a great term of learning and new experiences. Our Year 5/6 students have continued to build their skills, confidence and independence.

LITERACY

We have completed our English text, *Bindi*, by Kirli Saunders.

Students have explored the text and developed their reading and writing skills. We look forward to starting our next text in Term 4!

MATHS

Students have been learning about measurement, focusing on length, mass and capacity.

It has been great to see students becoming more confident and engaged in their Maths learning.

CHESS CLUB

This term, Mr Kelly is excited to introduce a new **Chess Club**, running each **Friday lunchtime** and open to students from across the school.

Chess is much more than simply moving pieces around a board. It is a game that encourages students to slow down, think ahead, consider different possibilities and make decisions based on what might happen next. Through regular play, students can develop important skills such as problem-solving, concentration, planning, logical thinking, patience and resilience.

Chess also provides a great opportunity for students to learn how to manage both success and disappointment. Every game presents new challenges and students quickly discover that mistakes are part of the learning process. They are encouraged to reflect on their decisions, try different strategies and learn from both wins and losses.

Our Chess Club will include a mix of friendly games, strategy and tactics, skill development, challenges and an introduction to the fascinating history of chess. Students will have opportunities to play against classmates from different year levels, learn from one another and gradually build their confidence and understanding of the game.

The club is open to students of all ability levels. Experienced players will have opportunities to challenge themselves and develop more advanced strategies, while students who are new to chess will be supported to learn the rules, understand how each piece moves and begin playing their first games.

An important longer-term goal of the club is to begin developing a group of students who may be interested in representing our school in interschool chess competitions during 2027.

This will give interested students something exciting to work towards while also creating opportunities to connect with students from other schools through a shared interest.

Most importantly, Chess Club will provide another positive lunchtime activity where students can meet others, build friendships, challenge themselves and enjoy learning something new. We look forward to seeing plenty of students around the chessboards this term.

P.e NEWS

Parents may bring in food treats to celebrate their child's birthday.

However, this treat **must be** individually commercially packaged with ingredients listed (ie: fun-size chocolate) and distributed to students at the end of the school day.

LIBRARY NEWS

As this term draws to a close, I would like to thank all of our teachers and students for their amazing dedication to reading and borrowing. Every week we lend out around **1000 books** and it is wonderful to see the joy these bring to everyone who is reading consistently. Please check out our list of Reading Awards to see how many books you have read.

The school holidays are the perfect time to get lots of reading done, to begin a new series, visit a new library or reread some old favourites.

Please remember to return all books during the first week of Term 4 and don't forget your reader bag for every library session as well.

BOOK CLUB ORDERS

The books from Issue 6 have been distributed to students and we have a great selection of books that have been purchased with our rewards. These will be available for loan next term.

Issue 6 sold \$413 which raised \$61.95 in rewards.

There will be two catalogues next term for anyone who is wanting to buy new books or other items. There will also be a gift function for any end of year surprises, these books will be put aside so parents can collect them from the office so students don't see them.

These catalogues always have different items than throughout the year as well. There are more activity based books, stationery, toys, games and colouring books as well as many Christmas themed items.

BOOK FAIR

Our annual Book Fair will also run during Term 4. This eagerly awaited time is always a big hit with families and it is a great way to encourage children to choose their own books to read and purchase. There will be more details available, including dates in our upcoming newsletters.

Have a fabulous holiday and Happy Reading everyone.

PFA NEWS

PFA NEWS

It's hard to believe we're already at the end of Term 3, with just one term left in the school year!

It's been another busy term for the PFA, with two big fundraising events, our Trivia Night and Father's Day Stall. Looking ahead to Term 4, we have a couple more opportunities to raise much-valued funds for our school while bringing our school community together.

Colour Run – Friday 20th November

We're bringing the fun back to our Fun Run with another Colour Run! Last year's event was a huge hit with students, staff and parents. The children loved it so much that many didn't want to stop running, trying to fit in as many laps as possible to cover themselves in as much colour as they could!

To encourage as many children as possible to register a fundraising page and share it with family and friends, we'll also be bringing back Slime the Teacher to finish off the event! There will also be some great prizes up for grabs, which children can win through their fundraising efforts, and simply for registering a fundraising page.

The Colour Run will be held on Friday 20th November, with Monday 23rd November as our backup date.

If you'd like to help out on the day, we'd love to hear from you! Please contact us at pfa@berwicklodgeps.vic.edu.au

Democracy Sausage BBQ – Saturday 28 November

We'll also be holding a Democracy Sausage BBQ on Saturday 28th November for the State Election, with our school being used as a voting venue.

We'll be looking for volunteers to help out in shifts throughout the day. Our Democracy Sausage BBQ at last year's Federal Election was a fabulous success, bringing people from near and far to our school, and we're looking forward to doing it all again!

Second-Hand Uniform Shop

If you have any school uniform items in good condition that are no longer suitable for your child, we would greatly appreciate donations to our Second-Hand Uniform Shop.

We would particularly welcome sports tops in all sizes, as these are always in high demand.

Donations can be dropped off at the school office.

Enjoy the upcoming school holidays, and we look forward to a fun and busy Term 4!
