PRINCIPAL'S REPORT

PLAYGROUND AREAS 8:45am – 3:45pm

During the supervised school times 8:45am – 3:45pm students are only allowed to play on their designated playground/ outdoor space. Teachers will be reminding all students of the areas they can play in and yard duty teachers before and after school particularly will be speaking with students who are in other areas. This is for the student's safety, and we appreciate parents supporting our school in only allowing your child to play on their area equipment.

COLLINS CRESCENT DROP OFF/PICK UP ZONE

Recently it was reported to our school that during drop off time before school, a parent/guardian was excessively tooting their horn at other vehicles in the drop off zone. We appreciate everyone having patience when dropping off and picking up children in the Collins Crescent zone. Parents are not allowed to leave their vehicles to walk into the school grounds. The police complete regular visits around our school for everyone's safety, and the excessive tooting of a car horn can be very upsetting to young students with sensitive ears but also cause unnecessary anxiety for others within the area. Please be patient when collecting or dropping off your child/ren from the pickup/drop off zone in Collins Crescent as we want everyone to come to and leave school safely.

CANTEEN UPDATE

The canteen's final day for selling potato cakes will be this Friday 30th October. They will no longer be selling any hot food at recess time. All hot food must be pre purchased through the QKR app. Dim Sims must also only be ordered through QKR and can no longer be purchased over the counter.

SAVE THE DATE – COMMUNITY AFTERNOON CELEBRATION MONDAY 7th DECEMBER

We will be celebrating as a whole school on Monday 7th December (weather dependant) after school with a community picnic, BBQ and performances by our students. We look forward to enjoying the afternoon with our families and community. Further information will be provided over the next few weeks.

REMEMBRANCE DAY SERVICE ASSEMBLY – WEDNESDAY 11th NOVEMBER

We are planning for a whole school assembly on Wednesday 11th November starting at 10:55am on the basketball courts (weather permitting). Families and parents are most welcome to attend the Remembrance Day service. There will be no additional assembly on the Friday of that week.

Kind regards,

Sandra McCrum

WORLD TEACHERS' DAY

On Friday 30th October we will be celebrating World Teachers' Day. Teachers and support staff at Berwick Lodge strive to make a difference each and every day. So, if there is a teacher or staff member that you feel has made a difference for you or your child, please send them a brief message of thanks. A simple email or thank you at the end of class will make their day. Students might like to thank their teachers too, with a kind word, message, or drawing.

SAFE AROUND SCHOOLS Pick Up Drop Off Zone

A school drop-off and pick up zone is a special place to drop off or quickly pick up your child from school. School drop-off and pick-up are the busiest times of the day. Many children, parents and cars are all trying to get to the same place at the same time – with limited car parking.

- Quick drop-off/pick up - 2 minutes only
- Do not leave your car
- Move as far up as you can
- Child not there? Drive out and come back
- Do not park here and wait

Students should not be waiting for their parents on the footpath at the pick up drop off zone. They should wait inside the school gates and only leave the school grounds once their parents have stopped in the pick up drop off zone.

Using drop-off/pick up zones correctly around schools helps traffic flow better and keeps everyone safe. Watch video

PLAYGROUND REMINDERS

Students should be playing in the correct areas and playgrounds during the school day from 8:45am to 3:45pm. These are the times when the yard is supervised. If students are playing on the incorrect playground either before or after school, they will be reminded to move to their play area. It is important for all students to play safely on the playground. This includes going down the slide feet first, with one person at a time and students should not be hanging upside down or sitting on top of the monkey bars.

DIWALI

Diwali is the "Festival of Lights," a major holiday for Hindus, Sikhs, and Jains that celebrates the victory of light over darkness, good over evil. It is a five-day festival with a central theme of good triumphing over evil, where families light lamps, share sweets, and celebrate with fireworks and new clothes.

The story behind the celebration is one of new beginnings and inner light.

PREP NEWS

FOUNDATION news

What a busy and exciting week we had with our swimming program last week! The students were sensational, and we are so proud of them for jumping in, giving it a go and creating such a positive atmosphere. The bus was buzzing with excitement on the way to the pools, and the smiles never faded! A huge thank you to our wonderful students, teachers, ES staff and amazing parent helpers who helped make the program such a success.

GRADE 1/2 NEWS

Our Grade 1 students have been exploring directions through an exciting classroom treasure hunt! They enjoyed learning how to give and follow directions using words such as forwards, backwards, left, right and turn around. Working with their friends, students took turns giving clear instructions to help their classmates find hidden treasures around the classroom. This fun, hands-on activity encouraged students to develop their communication, listening and problem-solving skills while learning important directional language. There were lots of smiles, teamwork and excitement as everyone followed the clues and discovered the treasures. Learning directions has never been so much fun!

Our Grade 2 students have been exploring the wonders of nature through their inquiry project, In My Backyard. As part of their learning, students conducted an exciting celery experiment to investigate how plants absorb water. They placed celery stalks in coloured water and observed how the colour travelled through the stems and into the leaves. Students made predictions, shared their observations and discussed what they discovered. This hands-on experiment encouraged curiosity, scientific thinking and a deeper understanding of how plants grow and survive. It was wonderful to see our young scientists investigating, asking questions and learning through discovery!

Our Grade 2 students have been enjoying their swimming lessons and developing essential water safety skills. They have been building confidence in the water, practising swimming techniques and learning how to stay safe around pools. We are proud of their enthusiasm, perseverance and positive attitudes as they continue to develop their skills and become more confident swimmers!

GRADE 3/4 NEWS

3/4 NEWS

On Tuesday, St John Ambulance came to Berwick Lodge Primary School. Our grade 3 and 4 students were lucky enough to learn some helpful tips about first aid. The students were able to get some hands on learning using the dummy named 'Uncle Frank', and learnt some of the basics of giving someone first aid if they are unconscious.

Student reflections:

"My favourite part was getting to see Frank" - Trey 3B

"My favourite part was learning to roll someone over using the recovery position" - Jasper 3B

" I enjoyed learning about first aid and seeing the dummy Frank" - Zyon 3B

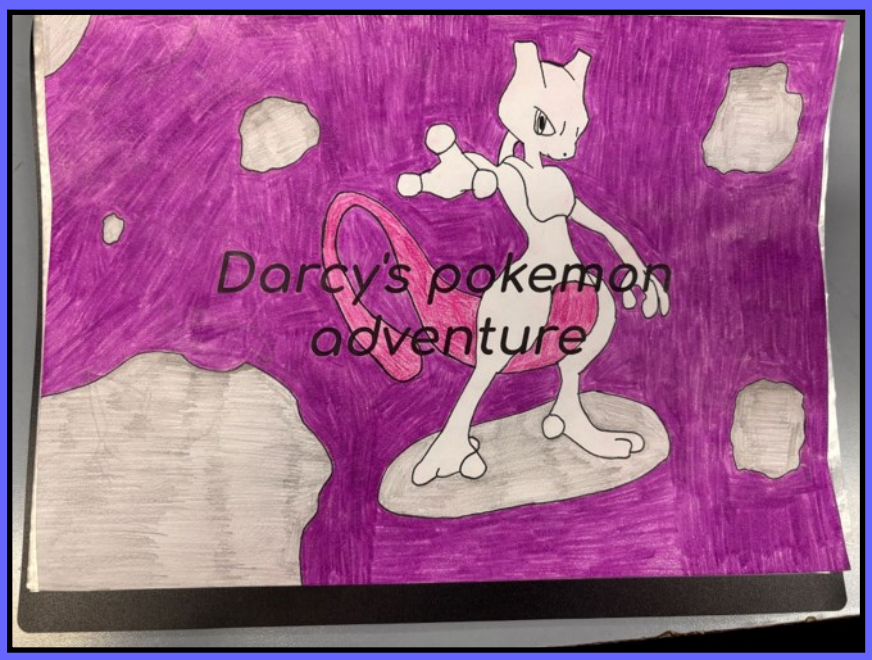

GRADE 5/6 NEWS

When our senior students have not been busily preparing for our huge final few weeks, including graduation for the Grade 6 students and leadership speeches for the grade 5s, they have been working hard on literature projects. These projects, the buddy book and the book showbag, always produce amazing work, and this year's efforts appear to be no exception!

REGIONAL HOOPTIME CHAMPIONSHIPS

Congratulations to Elnaz 3/4K, Hazel 3/4K, Nikita 3/4K, Iyla 4S, Willow 4S, Evelyn 3B, Azalea 3/4W, Quinn 3/4W and their grade 6 coaches Meika 5/6L and Lola 5/6W who have progressed through to the **STATE HOOPTIME CHAMPIONSHIPS** to be held on Thursday 3rd December at the State Basketball Centre. Such a huge achievement for the girls to compete at such a high level of competition against the best primary schools in Victoria in their Future Stars category.

The girls progressed to the state competition after winning their games at the Regional Championships held on Wednesday 28th October at the State Basketball Centre. In their first game, the girls faced tough opposition in the Beaconhills Bears. They played with great determination to win the game narrowly by 1 point. In their second game, they faced the Croydon Hills Comets who were also undefeated. The girls dominated the game both defensively and offensively playing exceptionally well as a team winning the game 17-2. As the girls finished 1st in their pool, they progressed straight through to the State Competition. Well done Lodgers!

We wish the Berwick Lodge Lionesses the best of luck at the State Competition to be held in December. Thank you to the girls coaches Meika and Lola for their hard work and to all the parents and family members who came down to support the team.

DIVISION CRICKET CHAMPIONSHIPS

On Friday 16th October Xavier 5/6K, Will 5/6N, Chris 5/6L, Boris 5/6L, Vihaan 5/6L, Muhammad 5/6L, Raiha 5/6W, Aarush 5/6W and Jack 5/6W represented Berwick Lodge and the Berwick District at the Casey North Division Cricket finals at Toomuc Reserve in Pakenham. The boys progressed to this level of competition after winning the district competition in Term 1. The boys faced Thomas Mitchell in their first game winning convincingly. The second game proved tough against Oatlands but the boys fought hard to only narrowly lose 120-157. The third and final game in our pool was against St Paul. The game had to finish early however the Lodgers won the game as they were leading at the time. The two wins placed the boys in 2nd place on their ladder which progressed them through to the semi finals where they faced last year's champions Brentwood Park. The boys played a great game only losing by 30 runs against very strong opponents. The boys should be so proud of themselves for a great competition. Well done!

Thank you to Ms Lamba and Mrs Shead for scoring and supervising the team and to all the parents who came down to support the Lodgers. Thank you.

REGIONAL ATHLETICS

Well done to Iyla 4S, Sophia 4H, Sabrina 5/6W, Tate 5/6W, Jackson 5/6W, Mauri 5/6N, Archer 5/6N, Charlotte 5/6L, Zendaya 5/6L and River 5/6L who competed at the Regional Athletics Championships on Wednesday 21st October. All students performed exceptionally well at such a high level of competition. Well done!

Term 4 in Art

We started Term 4 with a celebration of the achievements of Roman, Quinn, Amity and Jazlyn who contributed their creativity to Casey Hospital, with their artwork helping add a splash of colour to the main entrance. Students had the opportunity to visit the emergency department expansion construction site and see first-hand how a major building takes shape. The artwork initiative is a wonderful example of how schools and the wider community can contribute to local projects, with students' artwork helping add a personal touch to a space that will serve local families for years to come. We're proud of our students for sharing their ideas and creativity and helping make a meaningful contribution to our community.

We have also had the opportunity to paint our clay work from Term 3 and the students should be very proud of their efforts. We've looked at the style of Tim Burton to create spooky self portraits and the corridor is adorned with a new splash of colour with amazing watercolour agates. It's been a wonderful (almost) year in the Art Room and we have loved seeing how talented BLPS kids are!

Our free raffle was drawn and eight, very excited students received their book prizes from Mrs Whitelaw. Congratulations to the winners and well done for entering the draw everyone.

We held our Annual Book Fair on Tuesday and Wednesday where lots of families came and bought some lovely books and other fun items. If books were out of stock, they will be delivered to your classrooms once they arrive at school.
Thank you to everyone who came and supported our school through purchasing from Book Fair. This helps us to buy new books for the library that everyone can borrow and read.

Congratulations to everyone who has made it to our reading awards list. We have had a lot of students reaching these milestones this year, which is wonderful to see.

Book Club orders have arrived and are being distributed to classrooms this week. There will be another catalogue arriving soon, so if you have a coupon from issue 7, you will be able to redeem that shortly.
