PRINCIPAL'S REPORT

SCHOOL ENROLMENT ZONES

You may have read recently of a review of school enrolment zones that is to be undertaken by the DET in the coming months. This review follows on the announcement by the DET in June of last year that as of then, sometime after schools had already commenced the process of taking enrolments for 2019, that a "50/50" rule would apply to schools with respect to being provided with additional portable classrooms in the event that their enrolments increased. In short, the change in practical terms meant that if more than 50 per cent of a school's total enrolment came from outside their designated neighbourhood area (zone), then they would not receive additional portable classrooms. Berwick Lodge P.S. with well over 50 percent of our students coming from outside our designated neighbourhood area (that is, we are the students closest public school) would be affected.

Currently we have 25 classrooms in total, and as schools are provided with 1 classroom per 25 children, we are not "full", so to speak, until our enrolments increase beyond 625. In saying this, it should be noted that the DET does not generally provide schools with additional portable classrooms until schools' enrolment numbers rise to more than 25 students above their current enrolment. The reasoning behind this is that as the DET now provides schools with double classroom portables, not single classroom portables and the DET does not favour providing schools with classrooms surplus to entitlement.

The introduction of the 50/50 rule last year certainly caused a great deal of confusion and stress for both schools and parents. In addition, some confusion existed over what constituted the precise neighbourhood boundaries for many schools. As we understand matters at present, the DET plan to redefine school neighbourhood boundaries, and in doing so, enable parents to log in on the DET website their address and be able to ascertain with certainty, their neighbourhood zoned school. In addition, we believe, the DET will be negotiating with school principals maximum number of students that their school can take, bearing in mind their existing facilities and grounds, and capacity to grow or need to reduce in student numbers.

LEARNING FOR LIFE...

PRINCIPAL'S REPORT

The bottom line is, and will remain, that schools are required to enrol all children living within their designated neighbourhood zone. Importantly, schools will still be able to take students from outside their neighbourhood zone providing that they are not at capacity in total or across specific year levels. Also, and importantly, in taking students from outside their neighbourhood zone, schools must be mindful of the fact that if their enrolment profile is one whereby they have more than 50 per cent of their students enrolled from outside their zone, then they will not be provided with additional classrooms. In effect, parent choice of school will continue to be government policy, but with some added caveats.

Insofar as our school is concerned, I do not anticipate any change to our current enrolment practice for 2020 – we take all neighbourhood children and have the capacity to take a number of students across most year levels from outside our neighbourhood zone.

FREQUENTLY ASKED QUESTIONS (FAQ's)

Q. When can we enrol our children for 2020?

A. The formal process historically commences in May when schools receive from the DET the relevant enrolment procedures documentation for enrolments for the next year. Nonetheless, we do provide personal tours for parents throughout the year.

Grade 4 News

Mind Body & Soul incursion

Today the Grade 4 students participated in an incursion called Mind Body & Soul. Our instructor, Mel, took the students through a series of yoga poses, relaxation techniques, stretches and meditation. The students thoroughly enjoyed themselves and were given a small crystal to take home. Ask your child to demonstrate some of the poses and techniques they were taught today and you might be able to relax together!

Today we went to the OHSC building and talked to Mel about mind, body and soul. We did a couple of yoga poses, my favourite was the tree. My favourite part was the meditation which made me calm and relax. I was always focused. Meditation helped my mind set so I can focus. In the end we each got a crystal, I got a clear one.

Victoria 4FS

Today Grade 4FS and some of Grade 4CW went to the Mind Body & Soul incursion! Mel, the incursion instructor, did all sorts of breathing and meditating activities. My favourite one was when Mel put a card under our mat and we had to copy the pose. When Mel rang her triangle, we would go to another person's mat to try to copy their card. Then we moved more onto breathing. Mel told us to lay down and put our hands on our stomach and take deep breaths in and out for about five minutes.

Kaiden 4FS

Today we had an incursion, it was called Mind Body & Soul. We got to practise our breathing, concentrating and doing yoga poses. My favourite part was listening to a story. The person who instructed us was named Mel. We also got a crystal that glows in the dark. Mine is pink and glows light blue!

Faith 4FS

We had a wonderful incursion today and what I loved most was we got to relax and calm down. I also loved that we got to meditate and do yoga poses. We got a crystal from a story. I loved everything!

Seeking nominations for positions on the PFA committee for 2019

Have you thought about nominating? Being a part of the small PFA committee is a great way to help move the group forward, to be a voice for parents, and to expand your own skills, as well as your social circle.

We're looking for nominations for 6 roles including President, Vice President, Secretary, Assistant Secretary and for a PFA representative position on the School Council and their emergency fill-in.

The appointed committee will be supported by the 20 current PFA members to drive activities and events throughout the year. The committee also receives a lot of continued support from school staff around planning, admin and resourcing. It's a real team effort and we have fun along the way.

The PFA committee for 2019 will be elected at the AGM meeting that will be held in the staff room on Monday 18 March at 9:30am, right after the school morning assembly

Nomination info including role descriptions and forms are available at the office. Grab one today!

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit

This applies to all students, including those wishing to apply for special curriculum programs (SEAL, ADP, MDP). We will be catering for all students within our DNB first, and will most likely to be at full capacity.
